## Digital Nomad Visa Guide For Millennials:

*Shaping the Future of Work* Chandrasekhar Sripada, 2024-07-30 The future of work will largely be shaped by demographics and technology Essentially how we work determines who gets to work The more flexibility that exists both in timing and workspaces the more people can join the workforce In this regard policymakers employers and industry bodies need to come together and create a new ecosystem to foster tech enabled work models across the country This book not only addresses the challenges of building an inclusive human capital framework for India but also highlights some unconventional ideas around work and models of employment which can create this much needed inclusion It is imperative that we adapt and shape the future of work possibilities around flexibility By doing so we can considerably address India's jobs and employment challenges

*Bullsh\*t Comparisons* Andrew Brooks, 2024-03-28 Life is complicated comparisons are easy We consume enormous quantities of information every day from sources that are reliable and those less trustworthy including journalists politicians friends and social media One of the most common tools we use to communicate is comparison Are we suffering a hurricane of migrants Do dogs look like their owners Is Oxford better than Harvard Metaphors models and metrics are used to compare anything from schools to wars to iconic people But how helpful are they What truths do they hide and what bullsh\*t do comparisons propagate Looking across a fascinating range of situations both familiar and unfamiliar serious and light hearted Bullsh\*t Comparisons is a ground breaking guide to the role of could be true but misleading comparisons It is illuminated by examples spanning the globe from university league tables to childhood rivalries politicians tawdry analogies the FIFA World Footballer of the year award and Chinese neo colonialism in Africa Ideal for anyone interested in critical thinking or who simply wants to be able to spot bullsh\*t at twenty paces this thought provoking intelligent and often amusing book will challenge you to think critically about the use of comparison
