A Topical Approach to the Developing Person Through the Life Span Kathleen Stassen Berger, 2021-10-12 Kathleen Berger's breakthrough text tells a compelling story of life span development via a topically organised approach. As always with Berger, her text is distinguished by an engaging narrative voice, wide-ranging cultural perspective, up-to-date research, and an emphasis on relating universal themes to students' own lives. This edition is also available with LaunchPad, which offers a variety of engaging activities including Data Connections. From interactive maps showing rates of breastfeeding and immunization to manipulatable graphs showing trends in adolescent risk-taking behaviours, this feature lets students take a hands-on approach to understanding the data in life span development themselves. Visualizing Development: These assessments link together graphics, text, and photographs to tell a visual story about an important concept in life span development. Developing Lives: Loaded with interactive features and pedagogy, this remarkable online experience asks students to raise a virtual child through the teenage years, making crucial decisions and responding to events. LaunchPad also combines an interactive e-book with high-quality multimedia content and activities including interactive tutorials, videos, and the LearningCurve adaptive quizzing system.
