

The background of the book cover features a dramatic celestial scene. At the bottom, the curved horizon of the Earth is visible, showing green land and blue oceans. Above the horizon, a bright, multi-colored light source (red, orange, yellow, green, blue) is positioned, from which numerous thin, golden rays of light radiate upwards into the dark, star-filled space. The overall composition suggests a divine or cosmic event.

From the Lavender Gardens Joseph Sener,2023-01-18 Much much before the time of Adam and Eve in the beginning of the beginnings once upon a time there was a First Earth Age God created the heavens the earth the first earth and the light of the sun He continued with His creative work and saw that all was good Then God decided to create mankind in His image male and female God blessed them and instructed them to be fertile and multiply to fill the earth God looked at everything He had made and found them so good That was the sixth day and the creation work of God was completed God declared the seventh day as a holy day for His creation to repose and celebrate His work All that happened during the First Earth Age Then a spiritual war broke out in the heavens between God

the Creator of the heavens and earth and His creation satan This was war In the end satan lost the war against God Almighty God recreated the earth and the stars around it This was the start of the Second Earth Age Adam and Eve were created by God at the beginning of the Second Earth Age First they were with God in Eden a part of the fourth Dimension God informed them that they were not to associate with satan Against God's orders they were involved with satan God does not accept disobedience lightly they lost their privileges with God Adam and Eve together with satan were directed by God to leave the heavens Eden and told to establish their own lives on earth and survive together with satan in the days to come We are the offspring of that time and since then we've been struggling on earth with the evil attacks of satan as a result of our own disobedience which started with Adam and Eve Our struggles on this second earth shall continue until the second coming of our Lord Jesus Christ in the end time Our lives on this second earth during this Second Earth Age have been difficult as predicted by God The challenges of life on earth start from the time of birth on earth We are persevering with the attacks of evil forces Despite everything that can go wrong we are trying to make our lives pleasant Sometimes we offer to one another a lavender flower to heal and as a symbol of loving togetherness Offering a lavender flower can heal our souls and is a gesture of goodwill The beautiful aroma of the lavender flower brings back the lost days on earth when fighting with evil Ultimately and unfortunately we will lose this beautiful second earth to the Apocalypse the Armageddon of the end time Humanity shall experience the Rapture and the different stages of the Apocalypse from its beginning until its end followed by the Millennium Age of our Lord Jesus Christ on earth The Millennium Age of one thousand years shall be followed by God's eternal age God Almighty shall come down to earth from the heavens The earth will be renewed to be a new earth And when He comes down He will see you and you will see Him It is God's message that all of His believers who live an obedient life shall be saved and rewarded by God at the end That may include you and me The Millennium Age of our Lord Christ will lead us to God's eternal age A new heaven and a new earth will be delivered to humanity The heavens and the new earth will be connected as one and God will come down from the heavens regularly to see His creation And His creation will see their Creator God many many more times during the eternal age All blessings and praises are for God Almighty and His Holy Trinity Amen
