The Five Pillars Of Leadership Excellence:

Building Tomorrow's Leaders Today Michael A. Genovese, 2013-12-04 This book focuses on leadership what it is how it works and how complex multi layered and multi dimensional it is and how it will change in the years ahead If we are to build tomorrow's leaders today we need to anticipate what skills temperaments and specific competencies will be valuable as we face future needs If the past is a predictor of the future the world of tomorrow will be characterized by rapid change new technology greater diversity increased globalization and the need for lifelong learning As a political scientist and presidential scholar Michael Genovese incorporates a wide range of disciplinary perspectives and research on leadership in this book to give students practitioners and leadership scholars a welcome and engaging look to the future **Essential Leadership** Daniel Augusto Motta, 2017-11-10 To the writer Essential Leadership is based on three pillars Personal Excellence Individual Essence and Organization Transformation Within this framework a leader must understand define and impact an organization's strategy seeing to its development and survival Organizational objectives must be clear and aligned and this is the mission of every leader whatever the structure's size and complexity To this end leaders need to be aware of their three vectors Adherence to Beliefs and Values Consistent Productivity and Emotional Bond ELOS Essential Leadership Skills for Organizational Strategy methodology is based on six elos and each one has four drivers The elos that need to be fully understood and cultivated are Competitive Environment Value Proposition Organization Essence Strategic Execution Essential Leadership and Performance Catalysts This book also contains a rich in depth analysis of Europe's China's and India's past and points out to leaders the direction and the steps needed to redefine and achieve organizational goals Forewords by two top executives and testimonials from six others are a testament to Motta's theory *The 5 Pillars of Leadership* Paul J. Meyer, Randy Slechta, 2004-11 Paul J Meyer and Randy Slechta are two of the nation's foremost experts on leadership In *The 5 Pillars of Leadership* they offer a clearly defined plan for achieving excellence a formula geared to produce maximum benefits for executives and team members as well as their families *The 5 Pillars of Leadership* presents a management creed based on continued success and a blueprint for advancement into the next century *Results That Last* Quint Studer, 2010-12-09 Praise for *Results That Last* Quint Studer is a superb communicator with a deep belief in the power of relationships His informal tone sense of humor and real world stories bring his business principles to life *Results That Last* has a vital optimistic quality that will keep readers re-reading long after other leadership books have been relegated to a dark corner of the shelf Nido Qubein author of *How to Get Anything You Want* President High Point University Chairman Great Harvest Bread Company and founder National Speakers Association Foundation *Results That Last* is long overdue and fills a big gap in effective business management There are legions of books that show us the way to achieve successful results in business but very few that teach us how to institutionalize success In reality achieving success is the easy part The real challenge is to achieve results that last Quint Studer not only proves it is possible to hardwire a culture for lasting results but

lays out a simple logical and effective way to do so Anyone who wants to make success a habit needs to read this book Bob MacDonald former CEO Allianz Life of North America and author of Beat the System 11 Secrets to Building an Entrepreneurial Culture in a Bureaucratic World I have always been fascinated by how the various parts of an organization work together to achieve strategic objectives In Results That Last Quint Studer explores the complex subject of performance improvement in a fresh readable and easy to grasp way By standardizing certain business practices and leader behaviors any company in any field can create an environment that allows it to achieve and sustain long term results David F Giannetto coauthor of The Performance Power Grid The Proven Method to Create and Sustain Superior Organizational Performance
