The Quality Improvement Challenge Richard J. Banchs,Michael R. Pop,2021-04-19 Efforts to improve the quality of healthcare have failed to achieve a meaningful and sustainable improvement Patients continue to experience fragmented inconvenient and unsafe care while providers are increasingly becoming overburdened with administrative tasks The need for change is clear Healthcare professionals need to take on new leadership roles in quality improvement QI projects to effect real change *The Quality Improvement Challenge in Healthcare* equips readers with the skills and knowledge required to develop and implement successful operational improvement initiatives Designed for healthcare providers seeking to apply QI in practice this valuable resource delivers step by step guidance on improvement methodology team dynamics and organizational change management in the context of real world healthcare environments

The text integrates the principles and practices of Lean Six Sigma human centered design and neurosciences to present a field tested framework Detailed yet accessible chapters cover topics including identifying and prioritizing the problem developing improvement ideas defining the scope of the project organizing the QI team implementing and sustaining the improvement and much more Clearly explaining each step of the improvement process this practical guide Presents the material in a logical sequence gradually introducing each step of the process with clearly defined workflow templates Features a wealth of examples demonstrating QI application and case studies emphasizing key concepts to highlight successful and unsuccessful improvement initiatives Includes end of chapter exercises and review questions for assessing and reinforcing comprehension Offers practical tips and advice on communicating effectively leading a team meeting conducting a tollgate review and motivating people to change Leading QI projects requires a specific set of skills not taught in medical school The Quality Improvement Challenge in Healthcare bridges this gap for experienced and trainee healthcare providers and serves as an important reference for residency program directors physician educators healthcare leaders and health related professional organizations

Engineering Business Success Herbert Johnson,2014 Herb Johnson believes that we are meant to live abundantly We are designed to live the good life with the freedom and creativity to follow our passions What will defeat us is an attitude of impoverishment the belief that we are undeserving so why should we try In Engineering Business Success Johnson explores the structure of success Many books overflow with detail about business systems important yes but they don t reveal the big picture of what it takes to succeed What fundamentally must be in place to open and effectively operate a successful business As an engineer and as a businessperson Johnson has written an important resource for both But his book is for anyone who wants to make something of himself or herself because the themes here are central to winning Business opportunities abound in our society and Johnson shows you what you should be looking for and what needs to be in place if you are to win So many businesses fail right out of the gate and Johnson has the antidote so that it won t happen to you Foremost he says you need to seize the responsibility to serve to serve your industry your clients and your stakeholders That is the underpinning of success In Engineering Business Success Herb Johnson shares what he has learned in his 28 years at the helm of the thriving company that he founded And he shares what he has learned in life since his boyhood rural upbringing through his years as a young engineer and as he has worked to make the most of his business Johnson s story demonstrates the trajectory of following one s passion and doing so with the spirit of service and with the business savvy that he has learned along the way Herb embraces an attitude of abundance a dedication to discipline and commitment for lifetime learning all of which pour forth from this story of his entrepreneurial journey Business owners and those wishing to experience the freedoms Herb has enjoyed will get a dose of enthusiasm and pick up some helpful hints from reading this book
