for growing independent resilient and creative kids and a family that is genuinely close and truly enjoys each other's company. With this book they share how they did it and show how we can too and in so doing offer a heaping serving of relief. They show how to let go of tired expectations of what it means to be a good parent, how to push back against the latest moral panic, and how to come to terms with the reality that the old rules won't necessarily apply in the future. But more than pushing back and letting go, they show what it looks like to build thriving relationships that extend beyond the first 18 years.
