An Introduction to Franchising Robert Webber,2017-09-16 An Introduction to Franchising is a concise yet comprehensive guide to the world of franchising Looking at the field from the perspectives of the franchisor and the franchisee the book offers a good balance between the theories behind good franchising practise and hands on practical guidance Applied theory is evident in the broad range of real life case studies included in the book With many of the world s leading companies operating franchise models this book will offer readers a genuine insight into the potential advantages and disadvantages of franchising The book also examines the financial legal and ethical implications of franchising whilst anticipating future concerns and challenges for the franchising model An Introduction to Franchising is an essential guide for all students of franchising entrepreneurship and marketing It is also a must read for anyone wishing to start their own franchise business

Future of Business Lawrence J. Gitman,2000-04 Nonprofit Transformation Christopher DiCarlo,2016-03-29 There are over one million nonprofit organizations in the U S but very few are reaching their full potential Nonprofit Transformation offers a fresh perspective on the prevailing challenges in the nonprofit sector Throughout the book author Chris DiCarlo identifies and offers solutions to common issues that all nonprofits face while at the same time reframing the nonprofit efficiency conversation in order to enact much needed improvements As DiCarlo writes Given the number of social issues that continue and fester anything short of 100% potential filled is not good enough In a no nonsense style DiCarlo discusses those difficult and chronic impediments that are on the minds of many nonprofit leaders but are rarely addressed More importantly this book offers pragmatic advice on how to push through barriers illuminating a path to exponentially increased impact for both individual organizations and the nonprofit sector overall Specific topics include dealing with sacred cows clarifying the role of a board of directors mergers creating a truly strategic plan and overcoming internal obstacles to fundraising success Insightful and courageous Nonprofit Transformation is a must read for sector leaders staff and volunteers who aspire to lead their organization to breakthrough results

The Future of Business Lawrence J. Gitman,2009 *The Best of the Future of Business* Lawrence J. Gitman,South-Western Publishing,2005-03

From Locker Room to Boardroom Ross van Reenen,2012-07-05 More than 84 per cent of professional rugby players in South Africa are going to find it difficult to survive financially once they stop playing rugby How will they find success in their new careers once their rugby jerseys have been washed for the last time From Locker Room to Boardroom explores how former South African rugby players culled certain traits from their playing days and applied them to their enterprises in order to make a successful transition from the rugby field the locker room to the business world the boardroom Naas Botha Gary Teichmann Joel Stransky Fran ois Pienaar Kevin de Klerk Breyton Paulse and Kobus Wiese to name but a few share the many challenges they faced and the different strategies they employed on the road to establishing the single factor that more than any other lies at the root of their business success Filled with entertaining anecdotes sound practical advice and pioneering business models From Locker Room to Boardroom provides a unique and fascinating approach to achieving

success in the commercial world **Professional Practice for Interior Designers** Christine M. Piotrowski, 2011-09-20 The text of choice for professional interior design practice now with companion CD ROM Since publication of the first edition in 1990 Professional Practice for Interior Designers has remained the leading choice for educators for teaching interior design business practice as well as for professionals seeking to advance in their own practices This ASID Polsky Prize winner is recommended by the NCIDQ for exam preparation and covers the gamut of legal financial management marketing administrative and ethical issues You gain all the essential skills needed for planning and maintaining a thriving interior design business presented in the clear easy to follow style that is the hallmark of this text This edition is completely current with the latest business practices and features a host of new practice aids Companion CD ROM includes a trial version of professional practice software business forms numerous short articles plus additional information and resources New examples help you manage the latest challenges and implement the latest business practices A new chapter devoted to strategic planning explains this important business concept in easy to understand language for students and professionals Brief what would you do case studies in each chapter challenge you to respond to ethical issues faced by today's interior designers From creating a business plan to launching a promotional campaign to setting up a computerized accounting system everything you need to launch and sustain a successful interior design practice is here **Books in Print**
