Freberg,2025-08-19 Social Media for Strategic Communication teaches students the skills and principles needed to use social media in persuasive communication campaigns The Third Edition features a brand new chapter on social media and crisis communication discussion of AI integrated in each chapter and updated coverage of changes to platforms trends strategies and emerging challenges across social media      Aphro-ism Aph Ko,Syl Ko,2017 In this lively accessible and provocative collection Aph and Syl Ko provide new theoretical frameworks on race advocacy for nonhuman animals and feminism Using popular culture as a point of reference for their critiques the Ko sisters engage in groundbreaking analysis of the compartmentalized nature of contemporary social movements present new ways of understanding interconnected oppressions and offer conceptual ways of moving forward expressive of Afrofuturism and black veganism Book jacket

**Ideologies in Educational Administration and Leadership** Eugenie Samier,2016-04-28 Ideologies in Educational Administration and Leadership explores ideological dimensions of educational administration in a number of Western and Central European contexts as they influence or shape the understanding analysis and practice in the field covering a broad range of topics such as ethics governance diversity and power The first section Philosophical and Theoretical Foundations includes a range of sociological political and linguistic approaches to examining ideology in an educational context The second section Ideologies of Research and Teaching includes examinations of neoliberal and technological effects on research and teaching as well as ideological shifts and challenges in the West and in Eastern Europe The last section Contemporary and International Issues includes critiques of social media neoliberal impact on schooling managerial leadership university ideologies in Finland the rationalisation of universities and the impact of administrative ideologies on school systems The book will appeal to researchers practitioners policy makers academics as well as post graduates in educational administration theory and related courses in the ethics and politics of education educational leadership and organisational studies      *TikTok for Authors* , Discover how to leverage the power of TikTok to reach new readers build a community and sell more books This book is specifically tailored for non fiction authors wanting to learn TikTok s unique language and trends to effectively promote their published works

Studying Politics Across Media Leticia Bode,Emily K. Vraga,2020-06-29 This book highlights the diverse methods needed to study a complex media environment and the nuance and richness of the understanding gained by doing so by offering examples of political communication research considering multiple platforms simultaneously Political communication research that considers multiple media platforms is difficult and expensive to perform and therefore relatively rare Yet studying media platforms in isolation ignores the realities of the varied

and complicated contemporary media experience where most individuals consume information from multiple media outlets Media platforms from traditional outlets such as newspapers and television to newer online platforms such as social media have proliferated in recent years This makes the media environment itself more complex as classic understandings of how the media function give way to a growing recognition of the hybrid media system where divisions between content and producers are opaque and where information is gleaned from increasingly diverse and numerous sources Studying political communication across platforms allows better understanding of which types of experiences and effects are universal and which are specific to particular platforms This book was originally published as a special issue of Political Communication

Hiding in the Bathroom Morra Aarons-Mele, 2017-09-26 Introverts will love this practical and moving guide to building a career network and life you love Susan Cain author of Quiet From the marketing guru and host of the popular podcast Hiding in the Bathroom a breakthrough introverts guide that broadens the conversation sparked by Quiet and moves away from the Lean In approach offering wisdom and practical tips to help readers build strong relationships and achieve their own definition of professional success Most ambitious people believe that reaching the peaks of success means being on 24/7 tirelessly networking deal making and keynoting conferences This is nonsense says Morra Aarons Mele As an eminent entrepreneur with a flourishing business and a self proclaimed introvert with lots of anxieties Morra disagrees with the notion that there is only one successful type the intense super social sleep deprived mover and shaker the person who musters endless amounts of grit Hiding in the Bathroom is her antidote for everyone who is fed up with feeling like they must always lean in who prefer those moments of hiding in the bathroom to constantly climbing the ladder or working the room Morra knows what it takes to make your mark and now this entrepreneur who has boosted the online strategy of clients such as the Malala Fund President Obama the UN Foundation and the Bill and Melinda Gates Foundation shares the insights tricks and knowledge she has learned Filled with advice exercises to help readers evaluate their own work life fit and manage anxiety valuable tools and stories of countless successful people entrepreneurs academics and novices just beginning their careers Hiding in the Bathroom empowers professionals of all ages and levels to take control and build their own versions of success Thoughtful and practical it is a must have handbook for building a fantastic prosperous career and a balanced happy life on your own terms

**Trust Inc.** Matthew Yeomans, 2018-04-25 We are entering the age of sustainability a business era where every company big and small must adapt its way of doing business to meet the realities of climate change a finite supply of natural resources evolving attitudes about inequality increasing digitisation and automation At the same time companies must meet the demands of consumers as they adjust to this rapidly changing way of life Supercharging this change in consumer behaviour is social media a communications revolution that is democratising and disrupting society in ways never seen before In this book Matthew Yeomans explains why embracing sustainability is key to helping companies articulate their sense of purpose and their reason to exist in a world where social media is eroding trust in all institutions The

book shows how social media has made sustainability a mainstream concern for all society how it compelled companies to be more authentic and accountable in their actions and how it will continue to shape how companies communicate the importance of sustainability to all of society This book is a powerful guide for both communication and marketing professionals in business especially Fortune 500 FTSE 250 companies and agencies on how to use social media to communicate with their audiences and stakeholders in an authentic way It is also a guide text book for the growing field of sustainability communication in higher education
