Resurgent Julian Birkinshaw, John Fallon, 2025-07-17 A practical handbook examining how established businesses can use their unique advantages to fight back and win in a digital arena too often dominated by tech start ups disruptors and unicorns The big tech companies Alphabet Amazon Apple Meta Microsoft have had an enormous impact on our everyday lives A new wave of start ups in the tech sector has dominated the press and swallowed up huge amounts of investment But what about those established companies in the traditional parts of the world s economies from energy industrial and consumer

goods to travel and health They rarely got a mention Everyone was talking about the disrupters the start ups and the entrepreneurs and not about the incumbents This book is a call for a reality check For at the core of our established companies are capabilities and qualities that remain highly relevant in the digital age They are often market leaders for very good reasons they know their customers and markets well and they have great product sales and marketing expertise They are operationally savvy and financially strong with deep insights into areas of expertise that no one else has giving them a unique advantage John Fallon and Julian Birkinshaw have come to a clear conclusion incumbents are not going quietly into that dark night Organizations will need to jettison their analogue baggage and infrastructure and embrace digital transformation They will survive and they will prosper And this shows how they are doing it **Cryptocurrency,**

Blockchain, and Digital Asset Essentials Bhardwaj Naik,2025-02-28 Cryptocurrency Blockchain and Digital Asset Essentials offers a thorough introduction to the world of cryptocurrencies blockchain technologies and digital assets all from a financial perspective This book serves as a clear guide to understanding this new currency and technology driving the future of change We explore the revolutionary nature of cryptocurrency challenging us to rethink traditional concepts of money and its role in society The book delves into defining crypto assets and developing a framework for digital assets covering blockchain investments wallets exchanges and initial coin offerings ICOs The impact of blockchain technology on the future of money transactions and business is thoroughly examined We also present the writings of Bitcoin s mysterious creator Satoshi Nakamoto highlighting the interconnected nature of blockchain and Bitcoin Cryptocurrency Blockchain and Digital Asset Essentials is an essential read for anyone looking to navigate the complexities of the digital financial landscape providing practical insights and detailed information on emerging technologies **Le grand dictionnaire**
