Writing and Editing for Digital Media Brian Carroll,2025-12-12 An essential guide to writing and editing for digital media this sixth edition responds to the mainstreaming of genAI Generative AI and LLMs Large Language Models among many other changes in the best practices of digital storytelling Carroll explains and demonstrates how to effectively write for digital spaces and places that typically abound with graphical content multimedia and hypertextual interactive elements He also combines hands on practical exercises with information on key topics such as misinformation and disinformation and the proliferation of artificial intelligence This new edition specifically explores the ethical questions raised by AI as well as the new possibilities it presents Each chapter features lessons and exercises through which students can build a solid understanding of the ways that digital communication provides opportunities for dynamic storytelling and multi directional communication It also speaks to writers editors public relations practitioners and social media managers and marketers Updated with contemporary examples and new pedagogy throughout this is the ideal handbook for students seeking careers in digital media particularly in content development and digital storytelling It is an essential text for students of media communication public relations marketing and journalism who are looking to develop their writing and editing skills for these ever evolving fields and professions This book also has accompanying Support Material that offers additional weekly activities and assignments providing students additional opportunity to put theory into practice

Over Work Brigid Schulte,2024-09-17 Brigid Schulte is a vital voice on the future of work and her carefully researched book lights the way to fewer hours less stress and more meaning Adam Grant 1 New York Times bestselling author of Think Again and Hidden Potential and host of the podcast WorkLife From the New York Times bestselling author of Overwhelmed a deeply reported exploration of why American work isn t working and how our lives can be made more meaningful Following Overwhelmed Brigid Schulte s groundbreaking examination of time management and stress the prizewinning journalist now turns her attention to the greatest culprit in America s quality of life crisis the way our economy and culture conceive of work Americans across all demographics industries and socioeconomic levels report exhaustion burnout and the wish for more meaningful lives This full system failure in our structure of work affects everything from gender inequality to domestic stability and it even shortens our lifespans Drawing on years of research Schulte traces the arc of our discontent from a time before the 1980s when work was compatible with well being and allowed a single earner to support a family until today with millions of people working multiple hourly jobs or in white collar positions where no hours

are ever off duty She casts a wide net in search of solutions exploring the movement to institute a four day workweek introducing Japan's Housewives Brigade which demands legal protection for family time and embedding with CEOs who are making the business case for humane conditions And she demonstrates the power of a collective and creative demand for change showing that work can be organized in an infinite number of ways that are good for humans and for business Fiercely argued and vividly told rich with stories and informed by deep investigation Over Work lays out a clear vision for ending our punishing grind and reclaiming leisure joy and meaning
