Social Media 2.0 : Powered by Artificial Intelligence (Preparing Future

Media Professionals for an AI-Integrated World) Prof. P. Sasikala, Benny Mathur, 2025-11-13 Social Media 2.0 Powered by Artificial Intelligence Preparing Future Media Professionals for an AI Integrated World is a comprehensive guide designed for students, educators, and emerging professionals in the field of New Media Studies. In an era where social platforms are not just communication tools but intelligent ecosystems, this book explores how Artificial Intelligence is reshaping the way we create, share, consume, and interpret content online. From AI-powered content generation and recommendation systems to data analytics, automation, and ethical implications, the book covers it all in a manner that is both academically grounded and practically applicable. Divided into three core sections, the first part lays the foundation by examining social media's evolution, platform dynamics, content planning, and branding. The second part dives into the transformative role of AI, showcasing how machine intelligence is integrated into social platforms from chatbots and sentiment analysis to virtual influencers and personalized feeds. The third part is focused on the topic of social media for public relations and how public relations agencies can leverage the power of social media. Developed with a special focus on the Indian digital landscape, this text bridges global trends with local relevance. Each chapter is enriched with case studies, key concepts, real-world examples, and reflective questions to encourage critical thinking and hands-on learning. Whether you're a student beginning your journey in digital media or a teacher seeking structured content for your classroom, this book offers a future-facing framework to navigate and lead in a media environment increasingly shaped by AI.

Make \$5000/Month Online with AI, 2025-11-18 This book will show you the art of getting more customers to spend more money faster, leveraging AI in the online world. If you want to build an automated YouTube channel with AI, this book will help you. If you want to create and sell online courses on Udemy, Kobo, or with AI assistance, this book will help you. If you want to secure freelance work on Upwork, Fiverr, by leveraging AI, this book will help you. If you want to write and publish best-selling ebooks on Amazon, Google Play Books, with AI, this book will help you. If you want to apply AI across all aspects of your life and business to achieve financial goals, this book will help you. I'm not a happiness guru, a fitness guru, an investing guru, or anything else. But I can show you how to accelerate cash flow in an online business by orchestrating AI tools. In other words, get more customers to spend more money in less time, over and over again, through YouTube, Udemy, Upwork, Amazon, Kindle, and more. I know because it's all I've done in my adult career. I've built automated AI business ecosystems earning thousands of dollars per month. Today, I teach how to build these AI systems in my AI Synergy Profit. My side hustle, I make content showing how we do it. My joke life goal is to be the most jacked AI billionaire. My real life goal is to die with nothing left to give. A little more about the book if you want that. An AI Money Model is a deliberate sequence of offers powered by artificial intelligence. It's what you offer when you offer and how you offer it to make as much money as you can as fast as you can. Ideally, to make enough money from one customer to get and service at least two more customers in less than thirty days. And it rarely looks clean, but I break AI Money Models into three stages. Stage I: Get Cash. AI Attraction Strategies get more customers for less through YouTube channel optimization, automated

social media content creation compelling ebook generation Stage II Get More Cash AI Upsell Downsell Strategies make more money from them faster through engaging online course design optimized Upwork Fiverr service offerings Stage III Get The Most Cash AI Continuity Strategies maximize their total money spent through automated email marketing systems AI powered customer relationship management In real life it happens like this First I get customers reliably with AI from YouTube Amazon Udemy Then I make sure they pay for themselves reliably with AI from course sales or service delivery Then I make sure they pay for other customers reliably with AI through automated marketing Then I start maximizing each customer s long term value with AI optimization Then I spend as many advertising dollars as I can to print as much money as possible backed by AI analytics This is my cookbook for making money by leveraging AI synergy in the online world It took me over a decade to learn all these tactics It ll take you three hours Use responsibly Enjoy If you want to learn more and make more money for your online business then ADD TO CART use its contents and see for yourself Disclaimer This book is for educational purposes only and does not guarantee results Business outcomes vary based on many factors outside the author s control Nothing herein should be taken as legal financial or professional advice The author and publisher disclaim liability for any losses or decisions made from use of this material **Monetizing AI For Content Creators** Ade Suryani, 2025-06-26 Monetizing AI for Content Creators Strategies for YouTube Blogs and Podcasts Without Going Viral Today s content creators face two major pressures ever changing algorithms and the mental exhaustion of staying constantly active In the middle of this chaos a new game changer has arrived artificial intelligence This book reveals how creators can leverage AI to build a consistent efficient and profitable content production system without chasing virality No fake promises no shortcuts Everything here is practical and ready to apply What you ll learn from this book How to turn raw ideas into high quality content with the help of AI A complete workflow to create YouTube videos blog articles and podcast episodes from scratch to monetization Fast and accurate research methods without spending hours on Google Strategies to build a strong digital presence even as a solo creator How to create evergreen content that keeps generating traffic and income SEO and storytelling tips to make your content not just popular but also relevant and discoverable Smart systems for batching repurposing and distributing content using AI tools Written in a tone that s light yet never underestimates the reader this book helps you think like a modern creator not just creative but strategic You ll realize that the key is not a brilliant idea once in a while but a repeatable system that keeps you going without burnout This is not about AI replacing humans It s about helping creative humans work smarter with the right tools If you re a blogger YouTuber podcaster or digital creator looking to stay consistent without burning out this book is your foundation *AI for Small Business* Phil Pallen, 2025-01-14 Artificial intelligence is rapidly changing the world and small businesses are no exception With this essential guide small business owners and entrepreneurs will learn how to use this new technology to automate tasks save time and money make better decisions grow their businesses faster and stay ahead of the AI curve **Mastering the YouTube Algorithm** P.
