Healthcare Transformation using Artificial Intelligence Robert JT Morris,2025-07-25 Healthcare Transformation

Using Artificial Intelligence provides insights into executing healthcare transformation through AI and deploying health technology at scale. It focuses on improving patient outcomes while managing costs, highlighting selected use of AI and contrasting it with a tech push approach. Through interactions with leading clinicians and healthcare administrators, this book presents the most urgent challenges facing patients such as lifestyle, self-empowerment, adherence, knowledge, and behavior change, and clinicians including information overload, time scarcity, rapidly changing guidelines, care quality, and administrative burdens. The book explains recent AI breakthroughs and critically evaluates their promise, showing how AI can be successfully deployed to address these challenges. Real deployments, scaling, and evidence gathering illustrate the best bets for AI in healthcare. Innovation is moving fast, but patient safety, clinical trials, and regulatory approvals ensure appropriate adoption. This resource is valuable for health professionals, scientists, researchers, practitioners, and students wishing to expand their knowledge in this field. Chronicles the healthcare system's problems along with the most promising transformational AI techniques that can be used. Describes data science and AI technologies and why or when they work, including examples and references. Gives simple and understandable descriptions in each application area of how the technologies actually work. Includes examples and case studies of applying AI to achieve better patient outcomes while lowering costs.

Stars Will Guide You Home - A Second-Chance Love Story Powered by Fate, and an AI App Stuti Changle, 2025-05-27. Would you take a second chance at love if an app matches you up? As teenagers Kiana and Nirvaan were inseparable until family expectations tore them apart. A decade later, despite having successful careers, their hearts are empty. Then AILENA, a cutting-edge AI dating app, matches them with a near-perfect compatibility without revealing their true identities. As their virtual bond deepens, past wounds resurface, but love makes its way through their hearts until AILENA deems them incompatible and cuts their connection forever. What will they do? Trust the app or follow their hearts? Can their love survive the test of time and reality? Set in India and the US, this is a story of love reimagined in the digital age. In a world where we are constantly connected yet feel lonely, *Stars Will Guide You Home* is a love story for everyone: the ones who overthink, the ones who let go too soon, and the ones still hoping for a sign.
