To Convert And Connect With Your Readers

Over here we have the goal: I want to make tons of money from my online business.

And over here we have the reality: I have a website, I'm making some money, but I wouldn't call it "success" just yet.

The question you have been wrestling with for months now is, "How do I get from my reality to my goal?" Or in other words...

How do you turn your website into a real money-maker?

- Simple design
- Single goal
- Necessary features only

If you want to build a serious email list, this has to be the #1 goal of your website.

- Immediately use anything that doesn't facilitate email signups.
- To collect email subscribers effectively, you need:
- Some form of compelling lead magnet
