YouTube videos are the answer. When you provide a brief trailer describing who you are and what you stand for, it builds credibility and can lay the foundation for an ongoing relationship with an individual that can be very profitable for both of you. A YouTube video that describes your product or service in detail is the next best thing to letting customers actually get their hands on it. By offering the consumer comfort and power through YouTube videos, you can inspire deeper trust and build a very happy customer base. In the following pages are clear, detailed instructions for how to best create your own winning videos that draw in loyal customers. Use YouTube to establish your authority across all your other social media outlets. You know your stuff; you know it well. But the people out there don't know you or your product or idea. Short, informative videos are the best way to let them know. As they look you in the eye, they will see the genuineness of your character. As they watch you smoothly, calmly, and confidently handle the subject of your expertise, they will be won over, convinced to trust your message. This is the true power of YouTube, and I will show you how to do this consistently and effectively. What will you learn about YouTube? How to create a YouTube channel the right way.
