**Ditch the Act: Reveal the Surprising Power of the Real You for Greater Success** Leonard Kim, Ryan Foland, 2019-10-25 Be human It s the only way to get ahead in business today Competition today is fiercer than ever It seems that every job candidate is flashing a world class resume and every business competitor is the absolute best at what they do Don t be fooled People exaggerate And don t be discouraged By revealing stories of failures setbacks and personal flaws without shame or fear you exhibit greater self confidence than your competition You cultivate connections with serious smart people and you build loyalty that lasts Ditch the Act shows how to present your humanness imperfect and flawed but honest resilient and willing to learn in strategic ways to achieve clear defined goals It provides an actionable program for building an authentic long lasting personal brand

explaining why exposure is important and how it cultivates more durable connections than any polished persona can. By creating a personal brand that's honest and authentic and that reveals personal struggles you'll build stronger longer lasting relationships and achieve greater success. Careers and businesses based on authenticity and truth aren't just more rewarding than those founded on hyperbole and the hard sell. Because they're founded on durable robust relationships they're rock solid and better withstand business uncertainty and tough times. Ditch the act, be real and jump ahead of the competition before they even know you are there.

Web 2.0 and Beyond Tom Funk, 2009. This book presents a wealth of ideas that will enable any business to quickly and affordably deploy Web 2.0 best practices to gain customers and maximize profits. Web 2.0 is more a series of trends than a basket of things. More and more power is in the hands of individual users and their networks. Web content is distributed, sorted, combined and displayed across the Web in formats and places not anticipated by the content creators. New technology now makes rich online experiences and complex software applications possible and at a low cost. Integration is breaking down walls between PCs and mobile devices.

F\*ck Being Humble Stefanie Sword-Williams, 2020-09-03. Get ready to start taking charge of your own success. Whether it is through our parents, our education, our bosses, our colleagues or the media we consume, we are constantly told that being humble is essential to our professional success. It's often seen as distasteful or arrogant to shout about our achievements. But in a modern workplace where the conventional steady linear career path is becoming rarer and rarer, this advice seems ever more obsolete. In the age of flexible working and portfolio careers, it's time to f\*ck being humble. With simple exercises, steps and real life examples, this is a resource for your bedside table that you can come back to again and again at any point in your career. Learn how to know what you stand for. Stop hiding even when you don't realise you are. Fully realise the power of networking. Know your self worth. Play the money game and win. Manage your emotions at work. Take action and establish the right time to make the leap. Keep the momentum you've generated going and maintain that elusive work life balance.
