Reshaping the Business World Post-COVID-19 Arvind K. Birdie, Ruchi Joshi, 2023-10-06 The COVID-19 pandemic dramatically changed our normal both in life and in business. The timely volume provides a map of how the world has been significantly changed post-COVID-19 pandemic not only in terms of work and business life but also linking other areas of personal life as well. It explores the diverse impacts of the pandemic on businesses and workplaces, addressing topics such as changes in organizational structures, operations, and marketing and consumer behavior. Sharing their rich insights and perspectives on today's business world, the authors also look at how personal psychological well-being, the role of spirituality, employee satisfaction, an organization's future competitiveness, and quality of life have been affected and changed by the COVID-19 pandemic. Chapters discuss the challenges and complications of flexible and hybrid working styles and digital collaboration platforms such as Microsoft Teams. Other topics include changed consumer choices and shopping psychology, internet addiction, mental health challenges, new psychological aspects of the art and culture industry, and more. The authors also share effective strategies for creating work-life balance and improving psychological well-being and for navigating the new normal. *Reshaping the Business World Post-COVID-19: Management Strategies for Sustainable Behavior Change* will be valuable for both industry and academia as it covers concepts of business from various perspectives. The book is sure to help managers of all types navigate the new normal.

**The American Enterprise**, 1998 *The Phoenix Encounter Method: Lead Like Your Business Is on Fire!* Ian C. Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan. The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies, upstart entrants, demographic shifts, and new world orders. Who can feel safe in firestorm change? The authors of *The Phoenix Encounter Method* don't advise safety. In fact, their method of leadership thinking requires you to imagine burning your business to the ground, throwing yourself into a firestorm change, and turning the upheaval to your organization's advantage. It can then rise phoenix-like from the ashes, stronger and more powerful than ever. Written with a sense of urgency and purposefully radical provocation, *The Phoenix Encounter Method* represents the forward thinking of legendary business guru Ram Charan and

professors from the senior global leadership program of INSEAD one of the world's top graduate business schools The resulting methodology based on analysis of thousands of articles studies reports and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies Whatever your sector or industry if you're responsible for your organization's ability to use change as a transformative opportunity you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization
