**Anthony Burgess and America** Christopher W Thurley, 2025-03-25 Anthony Burgess and America is a biographical and critical analysis of Burgess's commentary on and relationship with the United States of America Utilising Burgess's entire canon and newly discovered materials to assess Burgess's views on America this book also evaluates the American inspirations in five Burgess novels This essential addition to Burgess scholarship tells the story of a nearly unexplored area of Burgess's life For the first time ever Burgess's American experiences work and documented communication lectures interviews and public utterances are brought together to assess where these commentaries overlapped with his fiction The result is a complex personal and public history about one of Britain's greatest twentieth century authors and their immersion into and interaction with American culture in the second half of the twentieth century **Brexlit** Kristian Shaw, 2021-07-29

Britain's vote to leave the European Union in the summer of 2016 came as a shock to many observers But writers had long been exploring anxieties and fractures in British society from Euroscepticism to immigration to devolution to post truth narratives that came to the fore in the Brexit campaign and its aftermath Reading these tensions back into contemporary British writing Kristian Shaw coins the term Brexlit to deliver the first in depth study of how writers engaged with these issues before and after the referendum result Examining the work of over a hundred British authors including Julian Barnes Jonathan Coe Kazuo Ishiguro and Ali Smith as well as popular fiction by Andrew Marr and Stanley Johnson Brexlit explores how a new and urgent genre of post Brexit fiction is beginning to emerge *Youth Culture and the Post-War British Novel* Stephen Ross, 2018-12-13 From the Teddy Boys of the post war decade to the heroin chic of Cool Britannia the many subcultures of Britain's teenagers have often been at the forefront of social change Youth Culture and the Post War British Novel is the first book to chart that history through the work of some of the most influential contemporary British writers In this vivid work of cultural history Stephen Ross explores The manic teenage vision of Absolute Beginners The Angry Young Men of Saturday Night and Sunday Morning Skinheads and Burgess's A Clockwork Orange Irony and authenticity in the 1980s from Amis to Kureishi Heroin chic disaffection and Trainspotting Examining the cultural contexts of some of the most important and popular post 1945 British novels the book covers such themes as crises of masculinity multiculturalism and inter generational conflict and in doing so casts new light on British writing today **Fictional Languages in Science**

Noletto, 2024-05-31 Fictional Languages in Science Fiction Literature surveys a large number of fictional languages those created as part of a literary world to present a multifaceted account of the literary phenomenon of glossopoesis language invention Consisting of a few untranslated sentences exotic names or even fully fledged languages with detailed grammar and vocabulary fictional languages have been a common element of English language fiction since Thomas More's Utopia 1516 Different notions of the functions of such fictional languages in narrative have been proposed as rooted in phonaesthetics and contextual features or as being used for characterisation and construction of alterity Framed

within stylistics and informed by narrative theory literary theory literary pragmatics and semiotics this study combines previous typologies into a new 5 part reading model comprising unique analytical approaches tailored to science fiction s specific discourse and style exploring the relationship between glossopoesis world building storytelling interpretation and rhetoric both in prose and paratexts *English Literature* Anthony Burgess,1958 **Edwidge Danticat** Clitandre T. Nadège,2018-11-14 Haitian American writer Edwidge Danticat is one of the most recognized writers today Her debut novel *Breath Eyes Memory* was an Oprah Book Club selection and works such as *Krik Krak* and *Brother I m Dying* have earned her a MacArthur genius grant and National Book Award nominations Yet despite international acclaim and the relevance of her writings to postcolonial feminist Caribbean African diaspora Haitian literary and global studies Danticat s work has not been the subject of a full length interpretive literary analysis until now In *Edwidge Danticat The Haitian Diasporic Imaginary* Nadège T. Clitandre offers a comprehensive analysis of Danticat s exploration of the dialogic relationship between nation and diaspora Clitandre argues that Danticat moving between novels short stories and essays articulates a diasporic consciousness that acts as a form of social political and cultural transformation at the local and global level Using the echo trope to approach Danticat s narratives and subjects Clitandre effectively navigates between the reality of diaspora and imaginative opportunities that diasporas produce Ultimately Clitandre calls for a reconstitution of nation through a diasporic imaginary that informs the way people who have experienced displacement view the world and imagine a more diverse interconnected and just future

**Postmodernism and Notions of National Difference** Geoffrey William Lord,Kristi Jauregi Ondarra,1996 *Postmodernism and Notions of National Difference* examines the critical construction of postmodern fiction raising the question of whether the construction of postmodernism has sufficiently accounted for national difference Geoffrey Lord argues that current meta national conceptions of postmodernism need serious reconsideration to take national cultural contexts into account Through a comparative investigation of the theoretical debate literary traditions and close textual reading of a number of postmodern texts Lord makes a persuasive case for his broad claim that national cultural differences are more persistent and powerful than usually allowed by established theories of postmodernity which claim a general collapse of traditional cultural orders and the meta narratives that justify them **You've Had Your Time** Anthony Burgess,2014-04-03 After returning from a trip to Brunei Anthony Burgess initially believing he has only a year to live begins to write novels film scripts television series articles It is the life of a man desperate to earn a living through the written word He finds at first that writing brings little success and later that success and the obligations it brings interfere with his writing especially of fiction There were vast Hollywood projects destined never to be made novels the critics snarled at journalism that scandalised the morally scrupulous There is the clat of *A Clockwork Orange* and the consequent calls for Burgess to comment on violent atrocities the huge success after a long barren period of *Earthly Powers* There is a terrifying first marriage his description of which is both painful and funny His second marriage and the discovery that he has a four year old

son changes his life dramatically and he and Liana escape to the Mediterranean for an increasingly European life With this marriage comes the triumphant rebirth of sex creative energy and travel to America to Australia and all over Europe
