Organizational Behaviour 9th Johns Saks:

Organizational Behaviour Gary Johns, Alan M. Saks, 2010-02-28 Real world cases and thoughtful discussion questions are a hallmark of this authoritative text. This new edition is up to date on coverage of organizational behaviour research theory and applications, earning it the reputation as the most respected resource in business studies. Organizational Behaviour takes a rigorous approach to OB while maintaining its readability and engaging approach. **Organizational Behaviour** Gary Johns, Alan M. Saks, 2015-09-22 Real world cases and thoughtful discussion questions are a hallmark of this authoritative text. Organizational Behaviour Ninth Edition is comprehensive; the material is up to date and reflects current research and practical concerns. The text takes a rigorous approach to OB while maintaining its readability and engaging writing style. Note: MyManagementLab is not included with the purchase of this product. *Unlocking the Business Environment* John Brinkman, Ilve Navarro, Donna Harper, 2014-02-25 The business environment is a fundamental subject in any Business Studies degree course. This new student friendly book divides the subject into the internal and external environment and where relevant discusses the interface between the two. It is written with the outward looking student in mind and as a result encourages readers to reflect on what they have read and to consolidate their learning through regular self testing exercises and discussion points. The text contains highly relevant and household name case studies ensuring that it is a highly topical and engaging book. Where organisational styles differ, the authors put forward the pros and cons of different points of view, ensuring that students have the information necessary to make up their own minds and develop management strategies of their own. **Diversity and Discrimination in Business Ethics, Higher Education and Society** Deborah C. Poff, 2025-05-20 This book engages the reader in a critical and necessary examination of the nature and range of behaviours that comprise diversity and discrimination in business and society. Discrimination and diversity are vitally important topics in the workplace as the manifestation of discriminatory practices leads to disfunction and a lack of effectiveness and efficiency in workplace settings. The chapters in this text not only conceptualize and clarify the meanings of diversity and discrimination but as well nicely unpack various debilitating features of the phenomenon and its various practices. This book is of particular interest to faculty teaching in schools of business as well as researchers in business ethics and business management. As such it provides an excellent venue for the exploration of the various negative impacts of diversity and discrimination. *Managing People in Sport Organizations* Tracy Taylor, Alison Doherty, Peter McGraw, 2015-01-09 Managing People in Sport Organizations provides a comprehensive overview of the theory and practice of managing people within a strategic framework. This revised and updated second edition examines a range of strategic human resource management approaches that can be used by sport organizations to respond to contemporary challenges and to develop a sustainable performance culture. Drawing on well established conceptual frameworks and current empirical research, the book systematically covers every key area of HRM theory and practice including recruitment, training and

development performance management and appraisal motivation and reward organizational culture employee relations diversity managing change This new edition also includes expanded coverage of social media volunteers and individuals within organizations and is supported with a new companion website carrying additional resources for students and instructors including PowerPoint slides exam questions and useful web links No other book offers such an up to date introduction to core concepts and key professional skills in HRM in sport and therefore Managing People in Sport Organizations is essential reading for any sport management student or any HR professional working in sport
