Chinese to diplomats business people and students for several decades using an effective learning system with two separate but integrated tracks to help you learn the spoken and written forms of the language more efficiently and more successfully. The materials in this series have been acclaimed as a breakthrough in Mandarin Chinese language learning. **Basic Written Chinese** Cornelius C. Kubler, 2012-03-09 This is a beginning level course in written Chinese that employs a revolutionary new method designed to have you quickly reading and writing simple connected Chinese sentences. Along with its sister book *Basic Spoken Chinese* and their accompanying workbooks *Basic Written Chinese* offers a complete introductory course to the written Chinese language. As a native English speaker working hard to learn Chinese characters is not enough you have to work smart in order to learn this very different language efficiently. No matter why you've chosen to learn Chinese for business travel cultural studies or another goal the *Basic Chinese* approach of two separate but integrated tracks in spoken and written Chinese will help you learn this language most efficiently and successfully. *Basic Written Chinese* is designed so it can be used in a class with an instructor or by independent learners working on their own. *Basic Written Chinese* systematically introduces 288 of the highest frequency characters in both their simplified and traditional forms and over 700 common words written with them in context in sentences and a variety of reading passages to help you master basic Chinese reading and writing. This method will greatly improve your abilities to read Chinese and write Chinese. The structure of each new character is explained in detail to make the learning of characters easier and look alike characters are compared and contrasted. Many lessons include character differentiation drills and some lessons include realia such as name cards street signs or email messages. Each lesson introduces 6 new characters and a number of words that are written using them. By dividing the learning into small tasks you maintain a sense of accomplishment rather than getting bogged down. You'll experience both printed and handwritten forms of characters as well as several different printed fonts. The downloadable audio features over 6 hours of audio by several native Mandarin speakers. Recordings of all reading selections. Recordings of all new characters and new vocabulary. Available separately. *Basic Written Chinese Practice Essentials* is the companion workbook for *Basic Written Chinese*. This practical guide includes a broad range of drills and exercises designed to dramatically enhance your proficiency in reading and writing Chinese. While designed for use with the companion textbook it can be used together with any Chinese textbook or teaching program to hone your Chinese reading and writing language skills.
