CHAMPIONSHIP

LAUNCH DATE: 03.25.2017
LAST UPDATE: 02.02.2017

AdeptiCon reserves the right to modify, update, clarify, or change event rules in the interest of making AdeptiCon the best event possible. No fundamental rules changes will be made to the event after 2/1/2017.

BASIC RULES & ARMY COMPOSITION

- Each army will be comprised of up to 2000 points using the 2016 General's Handbook, following army composition for a Battlehost in Pitched Battles (pages 106-108). Compendium entries can be used.
- New rules and units that are released by February 23rd, 2017 will be allowed in this event. Any new rules or units released after this date **WILL NOT** be allowed in this event.
- Disciples of Tzeentch and Forge World units/rules will be allowed in this event.
- Each player must bring seven (7) copies of their army lists to the event (one to turn in at registration, one for each of their opponents, and one for themselves).
- If units and models have choices of what they can be armed with, this must be clearly indicated on your army list and modeled appropriately. This also applies to choice of Standards for Standard Bearers, instruments for Musicians, and special equipment for your unit's Leaders.
- You may have 1 of each type of command model per unit (champion/leader, standard bearer, & musician).
- The most recent version of a Warscroll is expected to be used (i.e., using the rules for a Terrorgheist in Battletome: Flesh Eater Courts vs. Grand Alliance: Death). See the AoS app for the most recent versions of Warscrolls.
- Order Armies can only have 1 model equipped with Ghal Maraz.
- Chaos Armies can only have 1 Warscroll with the Archaon Keyword.
- Characters and units cannot be part of multiple Battalions. The only exception is Battalions that are comprised of multiple Battalions (Sylvaneth Wargroves for instance).
- Bases cannot overlap for purposes of piling in and making attacks. Attacks are measured from base to base from the attacking model to the target. Base sizes for models should be within reason, but no smaller than the bases the models were supplied with.
- **Command Traits & Artefacts, as well as Battletome specific spells/prayers, must be chosen when you turn in your list for the tournament. These will not change throughout the course of the tournament. However, you cannot duplicate Artefacts.**
- Each player will also need to bring two objective markers on 25 or 32mm round bases for use throughout the event.
- A unit with no more than 20 Wounds worth of models and a single model with the Hero keyword may garrison a building. Behemoths cannot garrison buildings.
- If at any time you or your opponent has no models left on the table with no additional units to set up after the game begins, the game is over immediately.
- The Warhammer: Age of Sigmar Rules, errata and all relevant [Games Workshop Errata and FAQs](#) will be used, unless an event FAQ specifically overrides.
- All players are expected to abide by the [AdeptiCon Conduct Policy](#).
- The models used in your army must comply with the [AdeptiCon Model Policy](#) (all models **MUST** be WYSIWYG and 3-colors).
- Any models that you would summon must be fully painted to match your army and displayed on your army display for paint judging. This includes terrain pieces as appropriate.
- Round/oval bases will not be required this year, but are highly encouraged. If your entire army is on round/oval bases, you will earn additional points on the Appearance Checklist.
- Any Sylvaneth Wyldwoods must be included on your army list, including any you will be summoning. These must be the same size footprint as the Sylvaneth Wyldwood kit.
