**The Upanishads** Eknath Easwaran, 2010-06 The Upanishads one of three new editions of the books in Eknath Easwaran's Classics of Indian Spirituality series You are what your deep driving desire is As your desire is so is your will As your will is so is your deed As your deed is so is your destiny Brihadaranyaka Upanishad IV 4 5 Over two thousand years ago the sages of India embarked on an extraordinary experiment While others were exploring the external world they turned inward to explore consciousness itself In the changing flow of human thought they asked is there anything that remains the same They found that there is indeed a changeless Reality underlying the ebb and flow of life Their discoveries are an expression of what Aldous Huxley called the Perennial Philosophy the wellspring of all religious faith that assures us that God realization is within human reach The Upanishads are the sages' wisdom given in intense sessions of spiritual instruction in ashrams in family gatherings in a royal court in the kingdom of Death himself And Easwaran shows how these teachings are just as relevant to us now as they ever were centuries ago
