

THE DARK KNIGHT

LEONARDO ARE A COMBATANT AND SUPERSTROUD, NOT TO MENTION THAT, SINCE HEYNE BECAME SOMETHING THEY WOULD FEAR, HE BECAME A TYRANT, AN URBAN GOD—BATMAN.

Bruce Wayne's life changed forever when his parents were gunned down in the street by a thug, the dedication for every waking moment to understanding the criminal mind and training himself in physical and mental perfection. He studied criminology and fighting techniques that few had mastered, knowing that no one else would ever have to experience what he and his parents had gone through on that fateful night.

ARMING A DIFFERENCE

Bruce Wayne decided to dedicate his life to protecting the innocent. However, he was well aware that corruption in Gotham City ran deep, and that the

justice there was rooted in greed, not in the desire to do good. Instead of pursuing a career and career in law enforcement, Wayne decided to wage a private war on crime. He believed that in Gotham, where he had to operate in the shadows, only the most technological measures of warfare—his Batsuit—could make a difference.

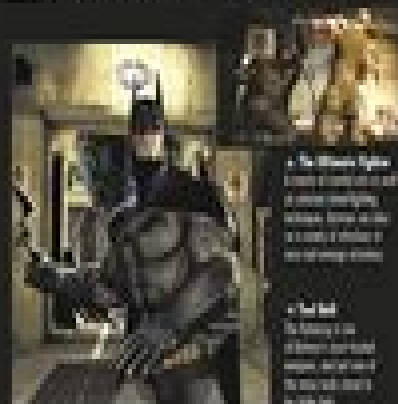

Colors of the Night

Bruce Wayne's Batsuit is not just a suit of armor; it's a symbol of his identity as Batman. The suit is black, with a bat emblem on the chest, and a cowl that covers his face.

I WILL BECOME A BAT

When Bruce Wayne began his journey as Batman, he knew he had to be as mysterious as the villains in his world. He had to be a symbol of fear, a figure who could strike from the shadows. He had to be a figure who could strike from the shadows. He had to be a figure who could strike from the shadows.

"THERE'S ALWAYS A CHOICE."

The Batsuit is a symbol of Batman's identity as a vigilante. It is a suit of armor that allows him to operate in the shadows.

The Batsuit is a symbol of Batman's identity as a vigilante. It is a suit of armor that allows him to operate in the shadows.

A DIFFERENT KIND OF DARK KNIGHT

Batman is an extremely versatile fighter. He has trained himself for any situation imaginable—and he's usually the last of his kind to confront the impossible. Whether facing opponents in a crowded quarter or in the open air, whether confronted with brute strength or by a technological fighter, the Dark Knight is prepared to take on any and every challenge.
