Between Heaven And Hell Kreeft :

Between Heaven and Hell Peter Kreeft, 2021-09-07 On November 22 1963 three great men died within a few hours of each other C S Lewis John F Kennedy and Aldous Huxley Imagining a lively and informative dialogue between these three men on life s biggest questions this IVP Signature Collection edition of a classic apologetics work presents insightful responses to common objections to the Christian faith *Between Heaven and Hell* Peter Kreeft, 2010 **Between Heaven and Hell** Peter Kreeft, 2008-06-16 On November 22 1963 three great men died within a few hours of each other C S Lewis John F Kennedy and Aldous Huxley All three believed in different ways that death is not the end of human life Suppose they were right and suppose they met after death How might the conversation go Peter Kreeft imagines their discussion as a part of The Great Conversation that has been going on for centuries Does human life have meaning Is it possible to know about life after death What if one could prove that Jesus was God With Kennedy taking the role of a modern humanist Lewis representing Christian theism and Huxley advocating Eastern pantheism the dialogue is lively and informative This new edition of this classic work includes a postscript in which Kreeft describes why and how he wrote what has remained a standard of apologetic literature for a generation He also adds an outline and index to the book as well as a never before published dialog in which he imagines A World Without an Easter Now more than ever this book offers an animated interaction that involves not only good thinking but good drama **Ireland in the Life and Work of C.S. Lewis** David Clare, 2025-08-14 Even after he achieved world wide fame through books such as *The Lion The Witch and The Wardrobe* and *The Screwtape Letters* the Belfast born author C S Lewis often regarded as uncomplicatedly English by critics and the general public proudly and regularly described himself as Irish What s more he frequently incorporated Irish elements into his work This includes for example numerous allusions to Irish mythology the repeated employment of Hiberno English and Ulster Scots words and expressions and a preference for tropes frequently found in Irish and sometimes specifically Ulster Protestant writing **The Good, the True, the Beautiful** Mark J. Boone, Rose M. Cothren, Kevin C. Neece, Jaclyn S. Parrish, 2021-02-19 Dr David K Naugle is widely regarded as a leading thinker in the area of Christian worldview formation As Distinguished University Professor Emeritus at Dallas Baptist University he has drawn accolades and admiration This collection in his honor demonstrates that intellectual pursuits are inherently spiritual that no area of life is separate from the lordship of Christ and that true Christian faith is in fact the deep fulfillment of the human experience On topics ranging from linguistics to gardening and everything in between these essays represent the depth and breadth of the idea that all goodness is God s goodness all truth is God s truth and all beauty is God s beauty **A Myth Retold** Martin Sutherland, 2014-09-29 Fifty years after his death C S Lewis fascinates his readers still Well established as a key figure in children s literature he is increasingly recognized as a significant Christian thinker The authors in this volume are from a wide range of Christian traditions testimony to the reach and significance of Lewis s legacy The essays return to Lewis s

devotional and theological works assessing their place in his own thought and in the theology of the twentieth century Lewis emerges as an insightful and creative theologian whose ideas continue to surprise in their sophistication and fecundity. Indeed it is suggested that he represents a way of doing theology mere theology which suggests ways in which Christian thought may reengage the complex cultural debates of the contemporary world

C.S. Lewis--The Work of Christ Revealed P. H. Brazier, 2012-08-14 C S Lewis The Work of Christ Revealed focuses on three doctrines or aspects of Lewis's theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis's work

The Two Jerusalems Matthew Wiseman, 2024-10 The moving story of a young man's amazing journey to discover the roots of the Christian faith in the Ancient Near East which led him from Protestantism through the Messianic movement and into the Catholic Church This journey took him to the rainforest of Papua New Guinea the No yk Synagogue in Warsaw and the Judean Desert and into the heart of ancient and medieval Jewish tradition the Hebrew Bible Along the way he met a cast of odd and wonderful characters false prophets and saintly Catholics who taught him about God Scripture and prayer His steps were dogged throughout by God's strange providential provisions despite his human blindness At the heart of the ancient faith much to his surprise he discovered what a billion people across the world already know and live the Catholic faith Through it all Matthew Wiseman's relentless desire for truth and consistency kept him searching until he discovered the beauty ever ancient ever new His powerful story is like a course in fundamental theology in compelling narrative form
