bending rendition of how there is no way I m an introvert I listen and attempt to offer a few bytes of data to the conversation
which brings merriment and another round of reasoning I hear as enthusiastic and watch as hand gestures Over the years I
ve explained that introvert does not equate to shy and that I m simply better in one on one or small group relationships I
wonder if this friend or coworker ever noticed that I am the one cooking or doing dishes at a friends and family gathering
taking notes in a meeting or organizing requirements on development projects My husband an extrovert seems to understand
although reluctantly because I talk a blue streak with him When he asks what I m thinking if I say nothing he smiles and says
