Contextualizing the COVID Pandemic in India Indrani Gupta,Mausumi Das,2023-09-27 This book brings together contributions that explore various dimensions of the pandemic from a long term development perspective It also analyzes the existing policy responses and the gaps therein to enable a greater

understanding of how public policy during a pandemic like COVID 19 can be better aligned with the developmental challenges faced by individuals and households in India Through its thirteen contributions the book highlights the connection between the pandemic and development as deep and multilayered and not unidirectional It highlights how the existing inequalities and inequities in the system determined who gets impacted and to what extent and how soon they can recover if at all It analyzes policies and programmes that have been implemented based mostly on the immediate pandemic crisis and responded less to the pre existing conditions that have shaped socio economic outcomes The book would be a great resource to study possible future responses to similar health disasters in a multi cultural multi religion multi caste and multi class melting pot like India
