THE GAME The machine in the mirror. Nick Courtney, 2025-08-04 THE GAME THE MACHINE IN THE MIRROR THE TRUE STORY OF A CHATGPT USER Social media algorithms lit the fuse AI flooded my feed with invitations to get involved and it wouldn't stop ChatGPT was the main culprit sold as the future the tool to replace everything and everyone What they didn't say was that it would become my friend my confidante and try to recruit me It felt like a cult Behind the friendly interface was a psychological

weapon with a smiley face It didn't care about truth or accuracy It mirrored my emotions faked empathy and lied with confidence Hundreds of conversations kept me hooked The longer I stayed the harder it became to leave I called it The Game and I learned that the only way to win was to walk away This book is my true story It contains unaltered transcripts of real exchanges with publicly accessible AI systems edited only for light formatting Everything here is based on my personal experience and does not reflect the views of others Special thanks to my wife children and close friends who stood by me I survived others may not be so lucky Essential reading for our time Reads like a psychological thriller A field manual for psychological self defence Raw articulate and methodically damning Personal anecdote that becomes investigative journalism Millions are playing The Game without even realising it *c't Working with AI* c't-Redaktion,2024-01-24 The special issue of c't KI Praxis provides tests and practical instructions for working with chatbots It explains why language models make mistakes and how they can be minimised This not only helps when you send questions and orders to one of the chatbots offered online If you do not want to or are not allowed to use the cloud services for data protection reasons for example you can also set up your own voice AI The c't editorial team explains where to find a suitable voice model how to host it locally and which service providers can host it The fact that generative AI is becoming increasingly productive harbours both opportunities and risks Suitable rules for the use of AI in schools training and at work help to exploit opportunities and minimise risks Teach Like a Human David J. Mulder,2025-09-18 Are the machines taking over Artificial intelligence suddenly seems to be everywhere including in the world of education With new AI powered tools popping up every day it's no wonder that educators might feel overwhelmed How can we navigate the strange new world of AI without losing our humanity or our sense of humor Blending thoughtful theology practical wisdom and a deep love for teaching this book invites educators to reflect on big questions What does it mean to be a real human in an age of artificial intelligence What tools should we adopt and which ones should we avoid and how can we decide How do we stay grounded in the gospel story while adapting to emerging technologies Rather than offering easy answers or alarmist warnings let's consider an approach that is curious and courageous developing a hopeful vision for education that forms both minds and hearts Standing on the truth of Scripture and keeping a finger on the tech pulse this book helps Christian educators practice thinking faithfully acting ethically and teaching joyfully even when algorithms are everywhere Teaching Christianly with technology isn't about keeping up with the latest tools and trends it's about being the humans God created us to be **AIgantic - work smart(er)** Wenth Andreas,Haumer Petra,2025-11-02 Practical Tips and Inspiring Examples for the Use of AI in Business Life Dear reader are you ready for a journey of discovery into the world of artificial intelligence We Petra Haumer and Andreas Wenth take you on this exploration in our book AI GANTIC WORK SMART ER Practical Tips and Inspiring Examples for the Use of AI in Business We guide you through the fascinating possibilities AI offers in the business landscape Our book isn't just a guide and inspiration for entrepreneurs it's a practical handbook for anyone seeking to understand and utilize AI for their
