Hey, here is the solution that you can reply for this issue.

Try these solutions, whether or not your Mac has signs of power:

- Press and hold the power button on your Mac for 10 seconds, then press it again.
- Reset the System Management Controller (SMC).
- Make sure that your display's brightness is turned up. Most notebook computers have a brightness up key on the built-in keyboard.

Here's the source that this information was derived from, for your reference.

Awakened A.E. Osworth, 2025-04-29 A coven of trans witches battles an evil AI in the magical coming of middle age romp about love loss drag shows and late capitalism On a morning much like any other 30 something queer Brooklynite Wilder makes a miraculous discovery suddenly as if by magic they can understand every language in the world Dazed and disconnected Wilder is found and taken in by a small coven of trans witches who have all become Awakened with mystical powers of their own Quibble a handsome portal traveler Artemis the group's caretaker and seer and Mary Margaret a smart ass teen with telekinetic powers all work to make the cagey and suspicious Wilder feel at home both within their group and with the knowledge that magic is in fact real Just as Wilder is finding their footing a malicious AI threatens to

dismantle the delicate balance of the coven and the world as they know it The group scrambles to stay united as they question whether any consciousness be it artificial material or magical is too dangerous to exist Awakened is a hilarious thought provoking reflection on the ways that we are responsible for creating our own realities a story of finding community and a meditation on what it means to have a body
