Me offers a unique approach to delivering meaningful code reviews that goes beyond superficial checklists and tense critical conversations. Instead, you'll learn how to improve both your applications and your team dynamics. Looks Good to Me teaches you how to understand a code review's benefits, proactively prevent loopholes and bottlenecks, co-create an objective code review system, clarify responsibilities, align author, reviewer, team lead, manager, and the team itself. Establish manageable guidelines and protocols. Align with your team and explicitly document the policies they will follow. Automate code quality with linting, formatting, static analysis, and automated testing. Compose effective comments for any situation. Consider combining code reviews with pair programming or mob programming. AI for code reviews. Inside Looks Good to Me, you'll find comprehensive coverage of every part of the code review process, from choosing a system to keeping reviews manageable for everyone involved. With this mix of tools, processes, common sense, and compassion, you'll run a highly effective review process from first commit to final deployment.

Foreword by Scott Hanselman
 About the technology
 Transform code reviews into the positive, productive experiences they're meant to be
 Whether it's your code under the microscope or you're the one giving the feedback, this sensible guide will help you avoid the tense debates, fruitless nitpicking, and unnecessary bottlenecks you've come to expect from code reviews.

About the book
 Looks Good to Me teaches the considerate, common-sense approach to code reviews pioneered by author Adrienne Braganza. You'll learn how to create a cohesive team environment, align review goals and expectations clearly, and be prepared for any changes or obstacles you may face. Along the way, you'll master practices that adapt to how your team does things, with multiple options and solutions, relatable scenarios, and personal tidbits. You'll soon be running highly effective reviews that make your code and your team stronger.
