Logo Design Workbook Sean Adams, Noreen Morioka, 2006-03-01

Logo Design Workbook focuses on creating powerful logo designs and answers the question: What makes a logo work? In the first half of this book, authors Sean Adams and Noreen Morioka walk readers step by step through the entire logo development process. Topics include developing a concept that communicates the right message and is appropriate for both the client and the market; defining how the client's long-term goals might affect the look and needs of the mark; choosing colors and typefaces; avoiding common mistakes; and deciphering why some logos are successful whereas others are not. The second half of the book comprises in-depth case studies on logos designed for various industries. Each case study explores the design brief, the relationship with the client, the time frame, and the results.
