to Life and Money is the most comprehensive resource for designing your life figuring out your finances and living your best life

The Russia Scare Richard Sakwa, 2022-07-08 The Russia Scare assesses the scope character and extent of Russian interference in the affairs of liberal democratic states This book examines the Russia scare in a dynamic manner stressing the interaction between threat perception responses and subsequent policies What forms did this threat take what were the instruments used how effective were the deployed tools and who were the allies with whom Russia worked in these endeavours Above all what impact did interference have on target societies The book explores why Russia engaged in such activities what the probable chain of command was if any and the role of the Russian leadership in all of this as well as investigating the response of Western societies and governments The author sifts the real from the imagined which can only be achieved by establishing the larger historical context He scrutinises the fundamental question was Russia before the invasion of Ukraine in 2022 really engaged in a sustained hybrid warfare campaign to sow discord and undermine Western democracies If so what were the strategic purposes underlying such an activity Various hypotheses are analysed notably that Russian post Cold War activity is nothing exceptional in the context of great power confrontation that all great powers are engaged in one way or another in such actions and thus contextualisation is important and that Russia's subversive activity was often exaggerated even misrepresented Responses potentially amplified the elements of subversion represented by the original threat Threats exist but responses always need to be calibrated so as not to inflict self harm on the integrity of liberal democracy itself This book will be of great interest to students scholars and academics of international relations comparative politics security and defence studies global governance and Russian politics as well as politicians political advisers NGOs diplomats and journalists

Rough Notes, 1901 A journal devoted to insurance and the industries
