The A.I. Parent Kunal Dalal,2023-05 One fine day I was sincerely struggling to explain the term solidarity to my child and it occurred to me to ask OpenAi s newest publicly available artificial intelligence chatbot ChatGPT how I may explain the concept to a 3 year old boy The results opened my eyes and I started wondering how generative AI might help me in other aspects of parenting as well What followed was months of shamelessly prompting ChatGPT at their visual art AI Dall E for questions ranging from the most basic things to building connections that I scarcely believed So I put together some of the work I have been doing and my hope is that it raises some questions for yourself as you consider how these powerful tools might add something to your toolbelt What I hope to share with you in this book is two fold Six short chapters where I will try and demonstrate some of the moments that helped me as a father and how I imagine these tools might help us even more as they develop and improve I will share three blog posts I wrote while in the throes of early parenthood These posts are titled Story Time for clarity and they appear every two chapters

The Contents of the Book
