Lies My Therapist Told Me Greg E.

Gifford, 2025-05-27 Few books combine theological precision with practical wisdom as skillfully as Lies My Therapist Told Me Jonny Ardavanis Dr Gifford is an incredible resource Allie Beth Stuckey From beloved Christian counselor professor and podcaster Greg Gifford comes a bold and balanced critique of the mental health establishment Too many people are caught in a vicious cycle of visiting every doctor psychiatrist psychologist and therapist in their area only to find frustrating labels and numbing medications at the end of each path Rather than eradicating anxiety in the same way vaccines conquered smallpox the mental health establishment has seen the number of diagnoses and prescriptions skyrocket on its watch How did we get here And does Christianity have any answers for this mental health crisis In Lies My Therapist Told Me Dr Greg Gifford delivers the definitive Christian critique of secular psychiatry and psychology He shows how mental health culture spreads beliefs that misinform our understanding of ourselves and our issues and he debunks popular myths such as We feel and act the way we do because the body keeps the scores of trauma Addiction is a disease If you improve your brain health your mind will follow Medications can heal your mind Every abnormal or sinful behavior is caused by a mental disorder These ideas though common are ultimately unhelpful because they are based on unbiblical assumptions Gifford brings clarity where secular therapy has created confusion and offers hope even for those struggling with the hard cases Through deep research biblical teaching and the inspiring stories of real counselees he shows why we can t blame the past or even a diagnosis for our bad behavior and why our society s growing unhappiness is not primarily a medical issue With a foreword by Todd Friel of Wretched Radio this book is a must read for counselors and counselees alike You can read all the mental health research
