AI Can't Write, But You Can Tom Albrighton, 2024-10-01 Everyone's talking about AI and using automated writing tools like ChatGPT But what's really going on when we ask a machine to write for us And should we be using these tools at all AI Can't Write But You Can takes a deep dive into the implications of ChatGPT and makes a passionate case for the value of human writing in the age of AI This concise and hard hitting book covers How ChatGPT works what it can do and the limits to its capability The many benefits of writing your own text and how ChatGPT undermines them Why only you can write from your unique experience and view of the world How ChatGPT hallucinates and makes mistakes What ChatGPT means for art learning and the

workplace Why ChatGPT is a parasite on human creativity Why questioning ChatGPT doesn't make you a Luddite Twelve actionable tips for making your writing stand out from content produced with AI If you've ever wondered what's going on behind the screen with ChatGPT or questioned the morality of automated writing tools AI Can't Write But You Can is for you Written by veteran writer and editor Tom Albrighton author of *How to Write Clearly* and *Copywriting Made Simple* and original co-founder of ProCopywriters Corporate Control Nora Loreto, 2025-05-06 How deep does corporate dominance go in Canada The second book in Nora Loreto's landmark series dives into the corporate web spun around Canada's economy society and politics The joke goes that Canada is three mining companies in a trench coat Or three oil companies in a trench coat Or three telecom companies in a trench coat It's funny because it's almost true a handful of corporations exert a disproportionate amount of power over Canadian democracy Corporate profits are at a record high and the divide between the rich and the poor has never been wider Canadians are struggling with affordability the housing crisis and wages that don't cover basic needs The combination of these forces is a pressure cooker that politicians have promised to tackle except they can't they are too restricted by corporate power to confront the roots of the problems Canadians face The first book in the Canada in Decline series examines the rise and fall of Canada's social safety net In this next volume Loreto goes further identifying why Canadian politicians seem impotent in the face of corporate Canada *THE DISCERNING MIND, Finding Your Purpose in a World Run by Machines* Fr. Chadi Ibrahim, 2025-05-20 Discerning Mind Colloquial Purpose in an Automata World By Fr Chadi Ibrahim In an AI driven world full of distractions and digital noise The Discerning Mind offers a clear and faith-filled path for Christians seeking purpose clarity and peace As technology shapes what we see believe and desire many are left spiritually disconnected and overwhelmed The book leads readers to identify three ways to take back attention and identity in Christ Part I The Digital Deluge looks at tech overwhelm from digital anxiety to spiritual disorientation glancing at a few Sacramental needs for discernment in a machine bordered world Part II Becoming a Discerning Mind inculcates the original D I S C E R N Framework pronouncing seven biblically grounded and practical steps that equip Christians to embrace wise Spirit-led decisions amid complexity Part III A Rule of Life for the Discerning Soul prescribes refreshers for the soul digital fasts device boundaries and spiritual habits that nurture a purpose-filled life centred on Christ This book will assist you in choosing a fixed track from drifting away amidst the noise if you are looking for some direction or peace Do not be afraid of the future listen to the voice of God and strive forward boldly **The Invisible Project Manager** Peter Taylor, 2025-12-29 What if the best project manager didn't exist In this provocative and future-facing manifesto Peter Taylor the original Lazy Project Manager asks the uncomfortable questions about the impact on his profession from the inexorable rise of artificial intelligence Traditional project management has created a substantial legacy but what if project managers aren't evolving but evaporating What if success no longer needs a command and control human hero at the helm Thanks to the power of AI the next generation of project delivery won't be managed it will be orchestrated seamlessly silently invisibly

It just might be the end of project management as we know it and the beginning of something radically smarter but humans will still be very much involved and this book explains how It defines the Invisible Project Manager future where AI systems manage workflows timelines and resources while the human in the loop will be a vastly different skillset moving from the managers of activities to guardians of outcome Accelerated change to the project management profession is arriving soon and at speed This book is an essential and thought provoking guide to evolution for forward looking leaders digital transformation strategists and change agents who are planning for the long game Are you ready to disappear
