The Ideas That Rule Us Chris Grocott, 2024-10-07 It may seem surprising that the economic choices we make in society are often determined by ideas rather than scientific evidence or financial resources The consequences of

such choices are often stark such as the austerity policies which eroded our ability to withstand crises like the Covid 19 pandemic This book explores the ideas that rule how our economy works how government operates and how workers organise A small number of historical economic ideas remain stubbornly prevalent and powerful today However they are largely based on questionable assumptions about human behaviour and unproven theoretical ideas about economics They were founded within the realms of philosophy and politics rather than hard science This book illustrates how politicians have selectively borrowed convenient economic concepts in order to promote and defend policies which entrench and escalate inequalities and other structural problems This accessible book invites readers to question the ideas that rule us and explore the challenges facing society It invites progressive thought about how we need to urgently organise action for the future

Producing and Directing the Short Film and Video Peter W. Rea, David K. Irving, 2015-03-24 Producing and Directing the Short Film and Video Fifth Edition is the definitive book on the subject for the serious film student or beginning filmmaker Its unique two fold approach looks at filmmaking from the perspectives of both the producer and director and clearly explains how their separate roles must work together to create a successful short film or video Through extensive examples from award winning shorts and insightful interviews you will learn about common challenges the filmmakers encountered during each step of filmmaking process from preproduction to production postproduction and distribution and the techniques they used to overcome them In celebrating this book s twentieth anniversary this edition has been updated to include Two all new in depth cases studies of esteemed short films Memory Lane and the Academy Award winning God of Love A revised chapter progression that reinforces the significance of the actor director relationship Interviews with the filmmakers integrated alongside the text as well as new images and behind the scenes coverage of production processes Revamped sections on current financing strategies postproduction workflows and the wide variety of distribution platforms now available to filmmakers A Where are They Now appendix featuring updates on the original filmmakers covered in the first edition An expanded companion website www.focalpress.com/cw/rea containing useful forms and information on distributors grants and financing sources film and video festivals film schools internet sources for short works and professional associations
