The FairTax Solution Ken Hoagland, 2010-03-04 The definitive book on the Fairtax and its potential to save the U S economy In the century since it was created the federal income tax system has grown into a monster that threatens the well being of average citizens and business owners as well as the very foundations of our economy and our democracy But there's a better alternative the FairTax Its supporters argue that the federal government should stop taxing what goes into the economy

earnings savings and investments and start taxing what comes out consumption The result would be the same amount of revenue but more growth much less political corruption and a far healthier relationship between Americans and their government Ken Hoagland of the FairTax Institute is an expert on this grassroots movement and his book offers the clearest explanation of this revolutionary idea He details the history of income tax collection in this country and current lobbying practices that have bloated the tax code to 67 500 pages of irrational regulations Anyone who has ever shuddered as April 15 approaches or who simply cares about making the country better will be fascinated by Hoagland's research and conclusions

The Hollywood Reporter ,2007 **Threshold Concepts in Women's and Gender Studies** Christie Launius,Holly Hassel,2018-02-20 Threshold Concepts in Women's and Gender Studies Ways of Seeing Thinking and Knowing is a textbook designed primarily for introduction to Women's and Gender Studies courses with the intent of providing both skills and concept based foundation in the field The text is driven by a single key question What are the ways of thinking seeing and knowing that characterize Women's and Gender Studies and are valued by its practitioners Rather than taking a topical approach Threshold Concepts develops the key concepts and ways of thinking that students need in order to develop a deep understanding and to approach material like feminist scholars do across disciplines This book illustrates four of the most critical concepts in Women's and Gender Studies the social construction of gender privilege and oppression intersectionality and feminist praxis and grounds these concepts in multiple illustrations The second edition includes a significant number of updates revisions and expansions the case studies in all five chapters have been revised and expanded as have the end of chapter elements statistics have been updated and numerous references to significant news stories and cultural developments of the past three years have been added Finally many more callbacks to previous chapters have been incorporated throughout the textbook in order to remind students to carry forward and build upon what they have learned about each threshold concept even as they move on to a new one **Excelling in Sport Psychology** Alison Pope-Rhodus,Sara Robinson,Sean Fitzpatrick,2017-10-04 Written for graduate students and early professionals who are conducting applied sport psychology work for the first time Excelling in Sport Psychology is a guide for planning preparing and executing this work Each chapter addresses a critical component of the internship experience such as selecting a site for an internship preparing to begin the work evaluating the completed work and marketing oneself throughout one's early career The diverse experiences of the various authors provide a range of viewpoints for trainees to consider and apply to their growth as sport psychology or mental skills professionals The text is written in a practical manner with suggestions and questions that will drive this personal and professional growth Each chapter also includes a personal account from a current student or recent graduate about their experience in that area This book will appeal to students in academic sport psychology programs seeking additional support and guidance about the internship process as well as post graduates who did not have an internship component to their program Supervisors will benefit from reading the book as it highlights ways to

work with trainees Drawn from the experience of the applied Sport Psychology department at John F Kennedy University which has helped students set up internships have successful experiences and attain jobs for over 25 years this book can provide a model for training programs approaching the challenges of fieldwork The American Philatelist ,2009

Pumpkin to Talk About Brandy Ayers,2025-09-09 Welcome to Amoresville a small mountain town founded on love and filled with colorful characters All June needs in life is an open road good tunes and her trusty VW Van Daisy As a travel writer she explores tucked away towns across the country Her devoted social media followers love to tag along virtually as she uncovers hidden gems Those faceless people on the other side of the screen are as close to a family as she has When June hears about a wacky town in the northern mountains of Pennsylvania with an equally wacky name she knows readers will eat up the local flavor and points Daisy in that direction As the eldest brother of the Halstead siblings Knox doesn't have time for a social life And he doesn't want one either His family tree stretches all the way back to the founding of Amoresville Hell the town square was even built smack dab on the spot where his great grand parents several generations removed consummated their love Now the fate of the family farm rests directly on his shoulders nearly crushing him Can a dangerously curvy road one giant pumpkin and the town's meddling cafe owner AKA Knox's mom intervene to bring these two hyper independent stubborn people together **Families and COVID-19: An Interactive Relationship** Linda Hantrais,Julia Brannen,Nicky
