What Is Youtube Shorts Ideas For Men:

Young Men's Online Lives Amanda Keddie, Michael Flood, 2025-09-26 This Palgrave Pivot offers insight into the factors that influence motivate and inform young men's online experiences In Australia and globally recent media and public discourse has expressed strong concerns about the gender based harms arising from young men's online behaviours these concerns have prompted renewed scrutiny on boys and masculinity and produced a sense of urgency around addressing these online harms They have provided a strong warrant for research that seeks to better understand how young men are navigating their online worlds This book presents findings from a qualitative study of 117 young men in Australia In foregrounding a diversity of young men's voices the book responds to calls for more nuance and care in how we debate the gendered impact of social media on young men's lives As such we highlight the tensions and complexities in how young men navigate negative and positive online experiences including their critical engagement with harmful content Against this backdrop the book presents a case for fostering young men's critical digital dispositions towards more gender just engagements online It provides a conceptual framework and series of activities for fostering these dispositions The book will be of interest to students and researchers in critical masculinity studies sociology psychology public health and media and internet studies as well as practitioners who work with young men [Collapse Feminism](#) Alice Cappelle, 2023-11-14

Analyses how conservative and anti feminist ideas are filtered through social media and how we can collectively fight back against them to reclaim our future online Collapse Feminism explores how conservative and anti feminist ideas spread through social media and how we can resist to reclaim a better future online This timely analysis focuses on the rise of collapse as a dominant framework for discussing societal issues which often paves the way for conservative ideologies in mainstream discourse When fear dominates people tend to retreat into traditional values making space for anti feminist movements Key topics include The reactionary politics of the manosphere The impact of sexual liberation and hookup culture The rise of traditional femininity and self help content How online spaces are shaping the future of feminism Collapse Feminism emphasizes the urgency of countering the collapse narrative and explores bold new ways to fight back ensuring a more inclusive forward thinking society for women in the 21st century **Social Media Measurement and Management**

Jeremy Harris Lipschultz, 2024-08-01 This revised and updated textbook applies a critical and practical lens to the world of social media analytics Author Jeremy Harris Lipschultz explores the foundations of digital data strategic tools and best practices in an accessible volume for students and practitioners of social media communication This second edition expands upon entrepreneurship marketing and technological principles demonstrating how raising awareness sparking engagement and producing business outcomes all require emphasis on customers employees and other stakeholders within paid earned social and owned media It also looks to the future examining how the movement toward artificial intelligence and machine learning raises new legal and ethical issues in effective management of social media data Additionally the book offers a solid

grounding in the principles of social media measurement itself teaching the strategies and techniques that enable effective analysis It features theoretical and practical advice a comprehensive glossary of key terms and case studies from academic and industry thought leaders A perfect primer for this developing industry this book is ideal for students scholars and practitioners of digital media seeking to hone their skills and expand their bank of new tools and resources *The Routledge Handbook of Conflict and Peace Communication* Stacey L.
