*Publishing is Broken, but it Doesn't Have to Break Us* Russell Nohelty, 2025-11-20 Publishing is broken but it doesn't have to break you. In this candid no holds barred guide USA Today bestselling author and small press publisher Russell Nohelty reveals why the traditional publishing model is stacked against most writers and how to make the industry work for you. Drawing on decades of experience and dozens of successful book launches Nohelty offers a blueprint for building your creative career without selling your soul or burning yourself out. You'll learn how to break free from tired industry myths, connect directly with the readers who love your work, jettison traditional gatekeepers, construct a sustainable creative life and leverage simple tools and strategies that actually pay off without all the needless hustle. Whether you're a first time writer or a seasoned pro, this book offers real world strategies for breaking free of the status quo. Packed with straight talk, practical insights and actionable advice, *Publishing Is Broken* Publishing But It Doesn't Have to Break Us doesn't pretend there's a one size fits all answer. Instead, it hands you the keys to design a publishing path that fits your goals, your schedule and your sanity. If you're ready to build a thriving bullshit free writing career, this book will show you the way forward.

James,2025-01-31 If I were giving out an award for book of the year for internal audit professionals I would certainly award it to her outstanding manuscript *Radical Reporting Writing Better Audit Risk Compliance and Information Security Reports* Richard Chambers Former President and CEO The Institute of Internal Auditors Most people dread writing reports they also dread reading reports What they don t realize is that the techniques that make writing more readable make it more powerful This is especially relevant for professionals in areas such as audit risk compliance and information security This small volume provides the tools and techniques needed to improve reports It does so through addressing crucial concepts all too often overlooked in the familiar rush to perform tasks complete projects and meet deadlines These concepts the role of culture in communication the link between logic and language the importance of organizing thoughts before writing and how to achieve clarity may seem academic or theoretical They re not Unless writers understand their own thoughts actions and objectives they cannot hope to communicate them at all let alone clearly This second edition develops these points with additional material on critical thinking as well as the use of AI in reporting

**The Art of Compassionate Business** Bruno R. Cignacco,2023-12-01 There are several well ingrained assumptions regarding the dynamics of work and business activities which can be refuted Some examples of these widespread assumptions in business and work environments are employees being viewed as commodities competitors perceived as threats companies resources seen as limited and customers perceived as scarce and difficult All this leads to the question Is there a way to perform business activities more humanely The second edition of this book challenges the reader to change the way they perform in business situations and become more focused on the human aspects of business activities The users of this knowledge and those affected by them will undergo a profound transformation in the way they perform business activities They will benefit from gradually testing and implementing the guidelines conveyed in this book both in the business environment and in the workplace When readers put these principles into practice positive ripple effects are bound to affect other stakeholders of the organisation they work for or own The author has refreshed all the concepts and examples introduced in the first edition which include aspects related to mission and vision passion business mindset organisational

learning improvement of business conversations use of constructive criticism and betterment of relationships with the most relevant stakeholders customers suppliers intermediaries community employees etc The author also includes a discussion of creativity and the innovation process as well as other relevant aspects related to a healthy business environment and provides various real life examples of companies which have adopted a loving attitude towards their stakeholders which has become so important in the current business environment *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library.
