Argumentation in Everyday Life Jeffrey P. Mehlretter Drury, 2019-01-21 Good coverage of concepts with understandable explanations of theory Very user friendly with exercises to use in and out of class Connects well with other communication classes through the application of other communication concepts to argumentation Christopher Leland Azusa Pacific University *Argumentation in Everyday Life* provides students with the tools they need to argue effectively in the classroom and beyond Jeffrey P Mehlretter Drury offers rich coverage of theory while balancing everyday applicability allowing students to use their skills soundly Drury introduces the fundamentals of constructing and refuting arguments using the Toulmin model and ARG conditions Acceptability Relevance and Grounds Numerous real world examples are connected to the theories of rhetoric and argumentation discussed enabling students to practice and apply the content in personal civic and professional contexts as well as traditional academic debates Encouraging self reflection this book empowers students to find their voice and create positive change through argumentation in everyday life Unique resources to help students navigate this complex terrain of argumentation The Debate Situation offers students a birds eye view of any given debate or exchange of arguments between two or more people organized around three necessary components arguments issues and

the proposition The visual model of the debate situation illustrates how these features work together in guiding a debate and it lays the groundwork for understanding and generating arguments Easy to Use Standards for Evaluating Arguments combine a prominent argument model named after logician Stephen Toulmin with a standards based approach the ARG conditions to test of quality of an argument The ARG conditions are three questions an advocate should ask of an argument in determining whether or not it is rationally persuasive These questions are best served by research but don t necessary require it and thus they provide a useful posture for critically assessing the arguments you encounter Multiple Everyday Life examples with an emphasis on context help students to connect the lessons more fully to their everyday life and encourages them to grapple explicitly with dilemmas arising in different contexts Find Your Voice Prompts focus on choice empowerment to offer strategies for students to choose which arguments to address and how to address them empowering students to use argumentation to find their voice Build Your Skill Prompts use objective applications to test how well students have learned the information They offer a chance to apply the material to additional examples that students can check against the answers in Appendix II Two application exercises at the end of each chapter encourage students to think critically about the content discuss their thoughts with their peers and apply the material to everyday situations
