**AI Guide for Beginners** Tigran Voskanyan, 2025-05-31 Comes With Access To Your Personalized Companion Course A Digital Prompt Book Beta Access to My Upcoming Book No fluff No jargon No Ethics Committee Just action Join The AI Revolution with Straight To The Point guided activities From Beginner to AI Whisperer in just 4 days your first step in a practical 21 day challenge to earn passive income with AI No tech degree required AI has already made its way in and it s not just knocking anymore You re about to find out how to use artificial intelligence to give yourself a huge and almost unfair advantage It s not about learning AI it s about getting good at the prompts that make it do what you want This is your AI guide for beginners the non negotiable first step in a 21 day mission to make AI money and AI income your new reality This is Book I Forget information overload this is a 4 day guided detonation of your old assumptions and limitations This Book I is your invitation to the first 4 days of a practical 21 day challenge designed to get you generating passive income with AI This is what you can expect straightforward practical and no nonsense Day 1 Your brain Now AI Could it be that the thing stopping you from mastering AI is simply yourself Expect and prepare for an upgrade It s not just about algorithms it s about changing your basic mindset Day 2 They lied to you about AI Find out the secrets they wish you the AI beginner didn t know Day 3 Spells that work Even when they shouldn t This is where you learn the forbidden language of AI prompts the kind

of prompt engineering that feels like you've found a cheat code for reality. Use AI tools so well that they'll appear to know what you want before you do. On Day 4, your brain will start to leak. You're about to see AI in action and your idea of what's possible will be broken and rebuilt into something much greater. You'll find out how to turn AI into your own AI assistant which can handle everything from research to creating content. And that's just scratching the surface; you'll see how these foundational skills become your launchpad if you're figuring out how to start an online business using your new AI assistant for early stage AI marketing insights or streamlining the creation of a compelling business plan. This isn't about working harder; it's about applying smart money principles giving you the ultimate edge in truly understanding the pathways to sustained cashflow and how to actually build a business in the new economy. This is the foundation, the essential toolkit you need before you can even think about building a passive income with AI or launching that revolutionary AI business. But I'm not tech savvy enough. Great. Tech savvy people often overcomplicate. This is AI for beginners designed for humans, not robots. If you can write an email, you can use this guide to control AI. Can I really use AI to earn money? This book is the ignition key. It gives you the basics and the necessary skills for any AI income strategy. Books II-III in the 21 Days to Make Money with AI series build directly on this, guiding you to create your passive income engine towards financial freedom. However, without this first step, Good Luck. This is Book I of a 3-part series. This is where you can start using AI for business profit, a smarter side hustle, or simply to prepare for the future.

**AI for Everyone** FOREST. CLARKE, 2025-07-16

Are you intimidated by AI but curious about what you're missing? You're not alone and you're not too late. Most people think artificial intelligence is either too complicated to understand or will replace human creativity entirely. AI for Everyone proves both of those assumptions wrong. This practical guide shows you how to use AI as your helpful assistant, not your replacement. Written specifically for beginners who want real results without technical jargon, you'll discover how to write better emails and content in half the time. Plan meals, workouts, and projects with AI-powered efficiency. Create professional proposals and marketing materials for your business. Avoid common AI mistakes that waste time and create problems. Spot fake AI tools and protect your data from scams. What makes this book different? Unlike other AI books filled with technical theory, this focuses on practical applications you can start using today. Every chapter includes specific prompts, real examples, and step-by-step guidance that works whether you're a complete beginner or someone who's tried AI before but felt overwhelmed. You'll learn to use AI ethically and effectively while maintaining your unique voice and judgment. No computer science degree required. Just curiosity and a willingness to try something new. Your AI-enabled future starts here. Stop feeling left behind and start discovering what AI can do for you.
