**The Marvellous Connections Between ESG and Taxation** Luis Wolf Trzcina, 2025-02-17 When we consider taxes as not merely paying an obligation but as a contribution to a more equitable society we have taken a giant step toward supporting environmental and social initiatives encouraging responsible business practices and driving innovation This extraordinary book explores the intersection of ESG Environmental Social and Governance and taxation offering a comprehensive perspective on how ESG can positively influence sustainable finance tax compliance transparency and corporate responsibility Drawing not only on the historical significance of taxation in fostering progress but also on the Japanese concept of ikigai sense of fulfilment and the humanist psychology associated with Victor Frankl the author s strikingly original approach to tax law pulls together new perspectives on a variety of current global concerns around taxation including the following social pressure on investors ethical supply chain digital economy and fair share of taxes profit shifting and the BEPS project transfer pricing the European Green Deal extractive industries transparency initiative tax effects of carbon credits promise of green hydrogen and executive compensation linked to ESG performance The analysis shows that when companies and tax professionals integrate ESG principles into their tax approach they align their contributions with a broad commitment to positive change because they strengthen both their reputational capital and societal impact and clearly distance themselves from the common toxic practices so widely excoriated in the tax literature The analysis will also empower tax professionals with the tools insights and mindset to leverage tax policies as catalysts for sustainable development tax as an instrument to impact behaviour This book serves as a practical guide for corporate executives and policymakers who seek to understand how ESG aligned tax practices affect public perception and stakeholder trust and thus assist them in crafting strategies that enhance brand reputation and credibility and create a positive impact on civil society worldwide

**Sector Insights: Real Estate in Portugal** , What is the state of real estate in

Portugal A decade ago the country put in place attractive fiscal advantages like the Golden Visa and non habitual residency agreements to attract foreign cash This enhanced an investment proposal that was already tricky to match within Europe A warm climate European capital with an oceanfront offers an unbeatable lifestyle package Other incentives also drove the Portugal brand as a market and in conjunction as a tourist destination But in 2023 government rhetoric began to stir with programs like Ant nio Costa s Mais Habita o a program to increase access to affordable homes in the wake of soaring real estate prices The program has met with fierce criticism however as has the canceling of the Golden Visa program It is against this backdrop that research for this 50 page Sector Insights report began It features a range of interviews news articles and analysis from across the real estate and construction sector
