

What are some good cafes or co-working spaces for digital nomads in the Santo Spirito neighborhood of Florence, Italy that offers:

- Strong Wi-Fi connections
- Walking proximity (less than 10 minutes) to local attractions and necessities?
- Safe for solo travelers

Santo Spirito is an artisanal, vibrant neighborhood with a number of cafes and public places that digital nomads can use as workspaces. While co-working spaces are not as prevalent in this part of Florence, the cafe culture in the city provides many opportunities for remote work. Here are a few places worth considering:

1. **Ditta Artigianale:** This is a highly rated coffee shop in Florence, known for its great coffee and strong Wi-Fi. Although it's not exactly in Santo Spirito, it's within a short walking distance. The space has a welcoming atmosphere and could serve as a good spot for digital nomads.
2. **Volume Firenze:** This is a popular cafe located right in the heart of Santo Spirito. It offers a relaxed atmosphere with a good amount of seating and reliable Wi-Fi. It's also a great spot to grab a quick bite.
3. **Caffè Ricchi:** Located on the Santo Spirito square, this cafe has strong Wi-Fi and is in proximity to local attractions. With its outdoor seating, you can enjoy the view of the bustling square as you work.
4. **PopCafé:** A vibrant and eclectic spot with good Wi-Fi and a range of seating options. It's located right in the Santo Spirito area and offers a variety of food and beverage choices.
5. **La Cité Libreria Café:** A bit north of the Santo Spirito neighborhood but within a 10-minute walk, this unique location combines a library with a cafe. It offers a quiet, respectful environment, making it a good place to work.
