Expert Hybrid Work Schedule For Seniors:

The Corporate Lattice Cathleen Benko, Molly Anderson, 2010-08-03 With roots planted firmly in the industrial age the corporate ladder has been the metaphor used to describe the prevailing one size fits all model for success At its heart the ladder is derived from inflexible hierarchical organization models in which prestige individual rewards information flow power and influence are tied to the rung each employee occupies Yet the workplace as we know it is in transition evolving away from the linear one size fits all model of the corporate ladder toward a multidimensional approach that Cathy Benko calls the corporate lattice This book will serve to widen an organization s strategic lens representing a fundamentally new way to work and run a company It offers a framework to help senior leaders and HR directors harness the talent in their company in a way that provides a strategic advantage not only for recruiting but also for achieving and maintain better individual performance In the bestselling book Mass Career Customization Harvard Business Press 2007 Cathy Benko and Deloitte provided the breakthrough MCC dashboard for understanding the important variables of individual employees career life profiles but she also coined a new metaphor the corporate lattice as a way to think about the changed career landscape This book delves much deeper into the power of the lattice for organizations fully exploring its contours and applying it to real life practice throughout a company It explores how the corporate lattice model creates value by 1 Ensuring a flow of talent into and through the organization 2 Increasing the efficiency of and return on organizational investments 3 Improving financial and operating results through greater employee engagement The three part framework of the book presents specific ways managers and organizations can use The Corporate Lattice to manage talent measure results collaborate across teams engage employees and reor

Leading Experts: How to bring out the best in clever team members Dr Marianne Louw,2024-11-04 Leading Experts explores how to lead expert team members who constitute the

intellectual capital of organisations These clever workers who often have more expertise than their supervisor in their fields do not passively accept being told what to do They know their worth they want a voice and they will leave the organisation if it does not allow them to actualise their potential In a knowledge economy we cannot afford to lose them The book based on the author s doctoral and subsequent research presents leadership in this context as primarily a mutually collaborative relationship It highlights three areas The type of organisational environment that attracts and keeps intellectual talent The leader follower relationship as the key to develop motivate and retain expert team members The individual values and skills that enhance the leader follower relationship The benefits of this approach include greater staff retention and knowledge transfer plus a more fulfilling work life for everyone This book is suitable for everyone who leads at least one expert follower and for leadership students aspiring to do so
