Paradoxes of Professional Regulation Michael J. Trebilcock,2022-03-01 Occupational licensure including regulation of the professions dates back to the medieval period While the guilds that performed this regulatory function have long since vanished professional regulation continues to this day For instance in the United States 22 per cent of American workers must hold licenses simply to do their jobs While long established professions have more settled regulatory paradigms the case studies in *Paradoxes of Professional Regulation* explore other professions taking note of incompetent services and the serious risks they pose to the physical mental or emotional health financial well being or legal status of uninformed consumers Michael J Trebilcock examines five case studies of the regulation of diverse professions including alternative medicine mental health care provision financial planning immigration consulting and legal services Noting the widely divergent approaches to the regulation of the same professions across different jurisdictions paradoxes of professional regulation the book is an attempt to develop a set of regulatory principles for the future In its comparative approach *Paradoxes of Professional Regulation* gets at the heart of the tensions influencing the regulatory landscape and works toward practical lessons for bringing greater coherence to the way in which professions are regulated

Virtual Services in the Health Sciences Library Amanda R. Scull,2022-05-15 Selected as a 2025 Doody s Core Title Virtual services have been part of health sciences libraries for a long time in various forms including the provision of reference and research services via email or chat availability of online instruction access to electronic materials and the curation of virtual research guides But when the COVID 19 pandemic forced many libraries to close their doors and pivot to virtual services almost overnight Moving all services remote even for just a short time did highlight what worked well and what did not The situation increased visibility of these services and made patrons more aware of what was available perhaps making them more likely to expect and use

those services in the future In some ways the pandemic showed us ways in which virtual services could even be better than in person services for providing prompt patron services The situation increased visibility of existing services making users more aware of what was available and revealed gaps and needed improvements in virtual services In this book copublished by the Medical Library Association librarians from academic to hospital health sciences libraries from rural to urban areas and across a range of service specialties provide blueprints and best practices for building and maintaining sustainable virtual services in health sciences libraries Each chapter in this volume addresses aspects of providing virtual services in information and access services reference and instruction collections and clinical services written by contributors who have been involved in this work in their own libraries Whether you are just beginning an implementation assessing and refining current offerings or strategizing for sustainability and looking to the future this book will provide practical advice tools and considerations for maximizing user engagement and satisfaction with virtual library services and resources *The Experts Book of Garden Hints* Fern Marshall Bradley,1993 Gives tips directions and projects for organic gardening **Social Work Professional Organizations** Riccardo Guidi,2025-11-13 Despite their long history and growing influence social work professional organisations SWPOs remain underexplored in social work research Created and fully or partly governed by professionals for professionals SWPOs comprise millions of practitioners worldwide some groups having existed for around 100 years to develop activities that are increasingly relevant for practitioners users schools of social work and policy makers This edited volume provides the first comprehensive comparative analysis of SWPOs in 15 countries bridging Global North and South perspectives Using an interdisciplinary framework it offers an evidence based typology of SWPOs illustrating their evolving role as collective actors in social work Essential reading for educators researchers and students in social work this book speaks directly to the global community of SWPOs **Professions, Information Technology, and Management in Hospitals** Mike Dent,1996 With the introduction of resource management doctors and nurses are now directly involved in the management of hospitals as clinical directors and ward managers This work focuses on the roles played by Information Technology in this process and its implications for the health service Leading for All Jennifer Spencer-Iiams,Josh Flosi,2020-10-30 Develop inclusive and equitable school communities where all learners thrive Research has shown that inclusive education results in better academic outcomes for ALL students not just those identified with disabilities by promoting self efficacy improving social and emotional health and consistently implementing research based instructional strategies Still many schools rely on deeply ingrained segregated practices that fail to serve all students Leading for All is a practical guide that provides a clear pathway for educators to develop a more inclusive school community from start to finish Authors Jennifer Spencer Iiams and Josh Flosi share lessons learned from spending nearly a decade building district schools where all students are served in their neighborhood school and in classrooms with their general education peers Features include Three focus areas to guide change Creating Inclusive Cultures Improving Instructional Practices and Increasing
