**Build Your Author Platform: An Introvert Author's Guide to Marketing Your Writing.** Laura Kortum, 2025-02-11  
You've published your first book and are eager to take that next step getting some visibility for it and for yourself. But whenever you hear the word marketing it sends a chill down your spine leaving you frozen in indecision about how to proceed. Worry not! You don't have to be a sleazy salesman to market yourself. You also don't have to bumble your way through the process and look like an amateur. In this guide you'll learn about all the essential building blocks of a successful and professional looking author platform including: What even is an Author platform? Present yourself: A great bio, photograph, etc. Claiming your author pages on Amazon, etc. Basics of author Websites. Social media for introverts. Newsletters and mailing lists. Automation. FTW. More than all of the above, this guide also deals with the most important question of all: what's the absolute minimum an introvert such as yourself can get away with. Marketing can become a fulltime job if you let it, but we're writers. And so we want to have plenty of time left over for writing, don't we? Let's begin. *Personal Branding for Introverts* Goldie Chan, 2025-10-28 Goldie Chan dubbed one of the most authentic and creative voices in personal branding. Dorie Clark, author of *The Long Game*, shows introverts how to leverage their unique strengths to get ahead. To build a career you need a personal brand to showcase your distinct skills, experience, and expertise. Building that brand can feel daunting, particularly for introverts. Conventional wisdom holds that introverts should fake extroversion in order to succeed, advice that can be terrifying for anyone who finds social interaction exhausting. Personal branding expert and introvert Goldie Chan says it doesn't have to be this way. Chan empowers introverts to create memorable and recognizable personal brands without feeling the pressure to become someone else. With examples from everyday introverts to introvert celebrities like Taylor Swift and LeVar Burton, Chan shows how introversion can be a superpower when building a personal brand. She shares strategies for goal setting, navigating in-person networking events, building online and offline communities, partnering effectively with extroverts, and sustaining energy for the long run. This book is essential reading for any introvert looking to level up a career or community without sacrificing authenticity. **Living the RV Life** Marc Bennett, Julie Bennett, 2018-11-20 Whether you're downsizing or thrill-seeking or anything in between, find out if the RV lifestyle is right for you and learn how to transition from a life of traditional home ownership to one on the road.
