Remote, Inc. Robert C. Pozen, Alexandra Samuel, 2021-04-27 You can thrive and excel when you're working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work

and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration

Management of Remote Workers Douglas Sandfield Staples,1997 This research study investigated the practice of managing people remotely and the potential enabling role of information technology IT in enhancing the ability to manage and be managed remotely Remote management was defined as managing employees who work in a physically separate location from their managers The research questions investigated dealt with the key issues of remote management the actions which could potentially contribute to effective remote management and the role information technology played in enabling effective remote management
