[Instagram Reels Marketing](#) Dwayne Anderson, 2020-10-17. Instagram Reels Marketing: Instagram Reels is the latest addition in the top marketers' social media marketing arsenal. If you haven't heard about it or are confused about how to get started, we're here to help. Everything you need to know is right here. This is an excellent opportunity to learn how to get started with Instagram Reels marketing to interact with a wider audience, fuel your branding endeavors, and help brands cash upon more ROI. Instagram Reels is the latest format of Instagram Stories that can be used to create and share 15-second video clips either with your followers or if you have a public account with the larger Instagram community via the Explore page. And since video content is all the rage now, top brands are using Instagram Reels for business marketing by sharing short video content to convey their branding and advertising messages on the Explore page as well as with followers to gain massive traction. As it rolled out to the majority of users in August 2020, this feature is being made available across 50 countries, including the U.S., making it an impeccable platform to interact with audiences and fuel your branding endeavors. The timing is also fortuitous given TikTok's uncertain future in the U.S. as the Trump administration weighs either banning the Chinese-owned app entirely or forcing it to sell off its U.S. operations. To put this further into perspective, let's take a look at a few stats. The average time spent on Instagram increased by 3.5% since the launch of Instagram Reels. For example, some published data reflects recent

development as follows Two thirds of the NBA s franchises have posted at least one Reel since the feature launched in the United States The Los Angeles Lakers top the league in engagement on Instagram Reels with more than 385 000 engagements and more than 4 1M plays on a single video Louis Vuitton averages 7M views on each Reel and are still increasing Sephora France gets more than 453K views on each Reel and more That is great news for businesses that want to survive and thrive despite the challenging economic conditions So here we are with our Awesome course Instagram Reels Marketing This guide will discuss why Instagram Reels Marketing is important for your business as well as the process of creating attention grabbing sales oriented videos on them and all the answers about utilizing this platform All in all it is jam loaded with information on how to showcase your brands using the Instagram Reels in an effective way and inspire sales oriented actions from your Instagram Page This course covers All you need to know to get started with Instagram Reels Find out how to use Instagram Reels for Business Marketing Explore the difference between Instagram Reels TikTok Discover how to produce Reels content that will successfully engage users Find out how to run a successful Instagram Giveaway Explore the tips and ideas on how to use Instagram Reels to grow your Brand Find out can Instagram takedown TikTok with Reels Discover is Instagram Reels Worth Pursuing Pros and Cons for Marketers Explore Instagram Reels Marketing Success Stories [Make Money from Instagram Reels in 7 Days](#) Gaurav Modi, 100% Working Blueprint to Earn Through Reels Affiliate Links and Digital Products No Followers Needed Want to turn your Instagram Reels into real income This eBook gives you a complete beginner friendly roadmap to earn money using nothing but your phone and Instagram account no followers or expensive setup needed Inside this powerful guide you ll discover How to get brand deals even with less than 1 000 followers Ways to earn directly from Instagram s Bonus Program Step by step to create sell digital products PDFs templates guides Earn via affiliate marketing promote tools earn per sale The viral Reels formula to hit 10K views How to build a trustworthy personal brand for long term income Whether you re a student creator or just getting started online this book is your shortcut to building an Instagram based income in just 7 days Perfect for Instagram creators Students wanting side income Freelancers digital marketers Anyone looking to start earning online Start your Instagram business today this is 100% working practical and tested by creators earning real money *Bookstagram 100 Ways Reels* E.
