**Digital Nomads** Rachael Woldoff,Robert C. Litchfield,2021 Digital nomads are knowledge workers who actively seek a lifestyle of freedom using technology to perform their work remotely travelling far and wide and moving as often as they like They have left their local coffee shops behind and now proudly post their office of the day photos from exotic locales but what do their lives really look like This book takes readers into an expatriate digital nomad community in Bali Indonesia and presents new manifestations of classic questions about community creativity and the role of place in the modern human ecosystem It explains why digital nomads leave their creative class cities behind arguing that creative class workers though successful often feel that their world class cities and desirable jobs are anything but paradise This book follows nomads work transitions into freelancing entrepreneurship and remote jobs Then it explains how digital nomads create a fluid but intimate place based community abroad in the company of like minded others It shows why and how individuals blend in person and online activity in their pursuit of community and freedom This book provides insights into individuals efforts to live lives and create work identities that balance freedom community and creative fulfilment in the digital age and it provides insights into a larger cultural discourse about the future of cities work and community

**Untethered** Nathan James Thomas,2023 The dream of being a digital nomad has inspired many to quit their jobs and attempt to live a life that is global and free of the daily 9 to 5 grind To travel to exotic lands meet interesting people and enjoy limitless adventure all while earning money from a few strokes of the keypad But many find themselves frustrated in pursuit of this dream The realities of a digital nomad life are far from simple and with the pandemic of 2020 and ongoing global uncertainty the complexities of life on the road have become even more challenging to navigate Yet with these challenges have come opportunities remote work is no longer an exception but a very real option within reach of many of us With more and more businesses being started and with corporations having a seemingly endless appetite for new talent the opportunities for workers to establish themselves as digital nomads are abundant In Untethered you ll learn exactly what it takes to engineer a digital nomad lifestyle in a post pandemic world With travel stories and case studies interlaced with clear real world guidance you ll discover whether the digital nomad lifestyle is for you and equip yourself with the tools to create your own location independent life
