Whether you're new to remote work or have been working remotely for years there's enough on your plate already without thinking about how to connect with and engage your team. I wrote this book to do just that and take one thing off your to-do list. The book is intentionally short, low on reading and high on actions. It's organized in such a way that you can open it five minutes before your meeting to grab a quick game or sit down to plan a longer virtual team retreat. In the first few pages you will find a Quick Reference Guide to help you find exactly what you need. You will have access to 75 activity ideas and hundreds of questions to help make your remote meetings one-on-ones and day-to-day virtual interactions more engaging. Beyond games you will find team reflection activities, stay conversation questions, a unique end-of-the-year team celebration idea and more. You will also find simple ways to virtually learn, stay healthy and celebrate together as a team. The only thing you need to do is take action.

Free Bonuses When you purchase this book you will gain access to copies of the following free handouts and downloads:

- 75 Team Building Activities Quick Reference Guide: A printable quick reference of the book to keep on your desk with reminders of key concepts, sample meeting agendas and more.
- Know Your People Form: A form to track all the information you should know about your people.
- COVID-19 Resources: Questions to help you understand what your people are facing each day, a list of five things that should be on every virtual meeting agenda and tips to help your team consciously transition back to work when the time comes.
- One Year Subscription to the Beyond Thank You Remote Team Nudge: When you download the free bonus you will have the opportunity to sign up for the Beyond Thank You Remote Team Nudge. Every two weeks I will send out activities, meeting prompts and other ideas from this book directly to your email, a little nudge to remind you to take action.
