Essential Creator Economy Trends Ideas For Moms:

Choices in Relationships David Knox, Caroline Schacht, I. Joyce Chang, 2023-05-09 *Choices in Relationships* takes readers through the lifespan of relationships marriages and families and utilizes research to help them make deliberate informed choices in their interpersonal relationships Drawing on extensive research authors David Knox Caroline Schacht and I Joyce Chang challenge students to think critically about the choice making process consider the consequences involved with choices view situations in a positive light and understand that not making a choice is a choice after all The Fourteenth Edition features over 1000 new citations increased emphasis and discussion of diversity and inclusion throughout each chapter and the impact of the COVID 19 pandemic on individuals couples and families *New Venture Creation* Paul Burns, 2023-12-30 Structured around the author's tried and tested New Venture Creation framework this textbook encourages practical learning enabling you to launch and develop your business Broken down into three phases Research Business model development Launch the book provides a systematic approach which tells you everything you need to know and most importantly everything you need to do to start a new venture You will learn how organisations and entrepreneurs address issues via real life case insights and quotes while fictional case studies are presented to explore how you might choose ways forward in your entrepreneurial journey The popular and effective Workbook which enables you to work through your thoughts and ideas on business development and construct a profile of your new venture is now presented in a digital format A new Digital links booklet directs to company websites and interviews with entrepreneurs and these resources are designed so that they can be used concurrently with the book This edition includes new material on the importance of anticipating new challenges and the need for re strategizing and building resilience while sustainability and diversity have been foregrounded in a re examination of the case studies New Venture Creation is the essential textbook for preparing for real life entrepreneurial experience accessible practical and grounded in academic insight *Global South Creator Cultures* Tugce Bidav, Smith Mehta, 2025-12-15 *Global South Creator Cultures* situates creator labour within the geographic specificities of nation states and examines the working conditions of social media creators and the geographical challenges of their work offering a four part conceptual framework for studying creator cultures Rather than placing creator cultures in the Global South against those in the Global North to produce a series of binaries it prioritises expanding our frames of reference for studying creator labour It does so by examining creator cultures in India Turkey Brazil Chile Pakistan Nigeria Hong Kong and China through approaches from media communication and cultural studies as well as internet platform and creator studies Rich with grounded subjective experiences of Global South creators this collection is essential reading for students and academics of media communication and cultural studies and appeals to anyone interested in understanding the complex relationship between nation states social media platforms and creators **Learning, Teaching, and Social Media** Andrew McWhirter, 2024-01-31 Employing a unique generational approach this book critically assesses social media

in educational contexts across all educational levels from primary and secondary schools to further and higher education proposing a schema for social media literacy SML Using research obtained from fieldwork observations conducted in online teaching groups surveys and in depth interviews with teachers and educators on the topic of social media and education chapters interrogate the historical relationship between educator and learner and use the frame of expert methodology to understand what educators themselves consider important about social media and education relative to their sectors Bringing together current literature from education learning and media technologies along with longstanding debates around technological influence chapters also draw on audience and communication studies psychology and arts and humanities at a time when many different disciplines are trying to understand what social media means to our society This interdisciplinary volume will be of great interest to academics researchers and postgraduates in the fields of technology in education media literacy and critical digital media Practitioners involved in the sociology of education will also find the book of use
