The Journalist's Guide to Media Law Mark Pearson,Mark Polden,2020-07-27 We are all journalists and publishers now at the touch of a button we can send our words sounds and images out to the world No matter whether you re a traditional journalist a blogger a public relations practitioner or a social media editor everything you publish or broadcast is subject to the law But which law This widely used practical guide to

communication law is essential reading for anyone who writes or broadcasts professionally whether in journalism or strategic communication. It offers a mindful approach to assessing media law risks so practitioners can navigate legal and ethical barriers to publishing in mainstream and social media. This sixth edition has been substantially revised to reflect recent developments in litigation and the impact of national security laws and the rising gig economy where graduates might work in the news media, PR, new media start-ups or as freelancers. It covers defamation, contempt, confidentiality, privacy, trespass, intellectual property and ethical regulation as well as the special challenges of commenting on criminal allegations and trials. Recent cases and examples from social media journalism and public relations are used to illustrate key points and new developments. Whether you work in a news room, in public relations or marketing or blog from home, make sure you have *The Journalist's Guide to Media Law* at your side. Whether you're an MSM editor or reporter, a blogger, a tweeter or a personal brand, this book might save your bacon. Jonathan Holmes, former ABC Media Watch host. The leading text book from which most journo's learned their law. Margaret Simons, associate professor in journalism, Monash University. **Business Communication Essentials** Courtland L. Bovée, John V. Thill, 2007. Making Important News Interesting Perry Parks, 2006. Based on the premise that a fresh approach is needed in public affairs journalism, this guide offers real world examples of reporting and writing that put citizens in the center of public debates, educate them on important issues, and break with convention to give energy to civic news. With dozens of exercises for both the classroom and newsroom, budding journalists get pointers on story selection and ways to use lively writing to engage readers and keep them coming back on a daily basis. **U.S. News & World Report**, 2007.

Get Funded!: The Startup Entrepreneur's Guide to Seriously Successful Fundraising John Biggs, Eric Villines, 2020-09-08. From a TechCrunch founder and award-winning strategist comes the most comprehensive guide to the newest fundraising options for today's entrepreneurs. Fundraising for startups has changed dramatically in the past decade. There was a time when VCs were rock stars and a founder with a big idea and a little drive could raise a few hundred thousand dollars to build a business. But those days are gone. In the aftermath of the Great Recession and a massive drop in tech investments, it's become harder and harder for founders to raise money. The good news: Today's entrepreneurs have more options than ever before with greater opportunities to get the ball rolling, get investors excited, and Get Funded. A comprehensive cutting-edge guide from tech journalist and entrepreneur John Biggs and communication strategist Eric Villines, Get Funded will enable you to create a solid business plan and a powerful story that investors respond to. Explore a wide range of funding options and find the ones that are right for you. Understand valuation and dilution. Plan, prepare, and deliver the perfect pitch. Raise money through grants, micro loans, micro donations, and crowdfunding. Take advantage of the latest online resources and financial tools. Filled with step-by-step strategies, ready-to-use resources, and on-the-ground insights, this is a must-read for every entrepreneur. Even if you've started a business before, you'll discover a whole new funding landscape with exciting tech-driven models including crowdfunding platforms like GoFundMe and Patreon, cryptocurrencies like Bitcoin, IEOs (Initial Exchange Offerings), micro loans, and micro donations, as well as more traditional tried-and-true methods. Beyond a road map to the current world of funding, Get Funded provides proven strategies for pitching, marketing, bootstrapping, and more. It's a complete 360-degree tool with easy-to-follow worksheets and online resources that will help you build a sustainable funding strategy that's right for your business and crucial to your success. Whether you're starting a food truck or a biotech startup, Get Funded has got you covered. [College & Research Libraries](#)
